Moffat County Fair Dedicated to The Maneotis Family at Victory Motors

It is our honor to dedicate the 2019 Moffat County Fair to the Maneotis family at Victory Motors.

Tom was born in Oak Creek, Colorado. At 1 year of age, his father moved the family to Greece. Tom and his family came back to the United States when he was 13 years old. Tom's family was one of the first sheep ranches here in Northwest Colorado. Tom's father moved the ranch to the Craig area from Price, UT.

Tom married his wife Dedra. To this marriage 4 children (Tony, Steve, Irene (Kitzman) and Chris) were born and raised here in Craig. Tom and Dedra bought what's now Victory Motors in 1976. Tony, Steve and Irene bought out Tom in 1991 and have owed the dealership ever since. Tony, Steve and Irene all have children of their own with many grandchildren among them.

After high school, Irene attended and graduated from Colorado State University. Steve played basketball at

Colorado State University for 2 years before transferring to and graduating from Chadron College in Nebraska. Steve then went to work for General Motors in Los Angeles, CA for 8 years before coming back to Craig to work at the family business. Tony stayed in Craig and started at Victory Motors washing cars. He worked his way up through the ranks to the shop, then parts, then to sales in 1982 where he's been ever since.

Tom was a member of Craig Rural Fire Department for several years. He was also on many boards through General Motors.

Tony is a board member for the Craig Rural Fire Protection District for the past 12 years. He's been a member of the Craig Lion's Club and a Middle School football coach for over 20 years.

Irene was a Chamber of Commerce Ambassador. She started the Victory Motors Cancer drive 7 years ago.

Steve was recently hired as the Moffat County High School boy's basketball head coach. He's a past president of the Craig Chamber of Commerce and is a member of St. John's Greek Orthodox Church in Craig.

Tony and Steve started the Doak Walker football league here in Craig in the 1990's. They also hosted the Rare Breed Football camp with the help of several Denver Bronco football players throughout the years. They also promote the NFL's Play 60.

The Maneotis' are avid hunters, especially archery. Back in the early 1990's, Steve was able to get ESPN to hold a 3D archery tournament at Loudy Simpson Park. It was a big hit with a $10,000 cash prize to the winner. Steve also was in a professional lip sync group in Los Angeles. His group opened for Richard Pryor in 1985.

Victory Motors has been awarded a 5 Star dealer award from Chrysler. Victory Motors has also won Best of Moffat County for car dealerships.

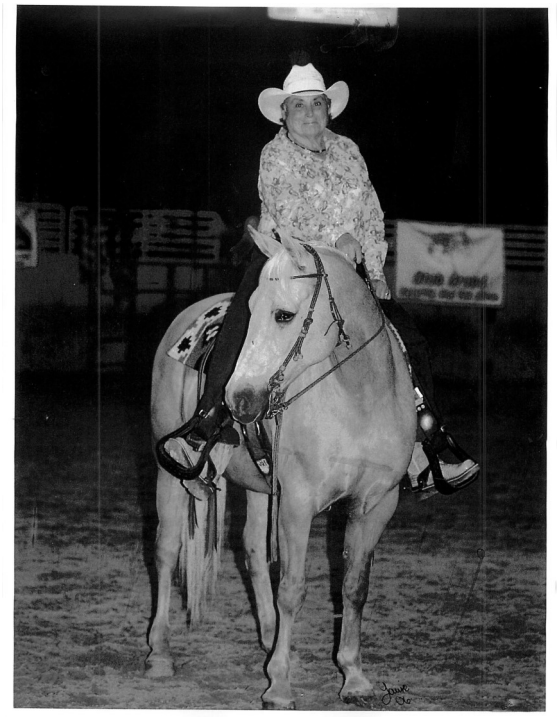
Victory Motors and the Maneotis family have been major sponsors to the Moffat County Fair since 1976. They have also been major contributors to the community donating over a $100,000 dollars to the Cancer Society, Moffat County School District and many other entities over the years.

One of the Maneotis' special memories of fair was sometime in the 1980's when their family, along with former Craig Mayor and County Commissioner Saed Tayyara and other business people, told then auctioneer Homer Wilson they were not going to buy any animals at the Junior Livestock Sale until they, Homer, auctioned off a chicken. A chicken was auctioned off for over $2000. According to Tony, at the time, the sale of the chicken made the Guinness book of World Records for the sale. The chicken has since been mounted and is currently on display at the Museum of Northwest Colorado.

Irene's husband, Brian, has been the Grand and Reserve Champion for homemade wine at fair. The entire Maneotis family enjoys watching the children who participate at fair grow and benefit from the program.

It is our honor and privilege the Moffat County Fair Board dedicates the 2019 Moffat County Fair to the Maneotis Family at Victory Motors.

Moffat County Fair Dedicated to The Memory of Carol Brett-Beumer



Carol Beumer was born Carol Mary Thompson June 5, 1934 in New Jersey. She graduated high school in Borden Town, NJ. She married Charles Parker in 1951. To this union 2 children were born, Lynn (Willy) Barclay and Jane Kelly. They lived in New Jersey until 1967.

In 1967 Carol and family moved to Colorado. They spent a year in Salida, Colorado. In 1968 they moved to Craig near Elkhead reservoir. She resided in Craig until her passing on December 25, 2018.

Carol worked for the Craig Daily Press starting as a sales representative in advertising around 1968. She then became the sales manager then publisher. She worked at the paper for over 30 years.

Carol was a big supporter of the horse industry. At the age of 9 Carol fell in love with horses. Carol worked at a newspaper in New Jersey to save money to buy a horse. She raised Appaloosa horses. She sponsored Appaloosa horse shows in the area.

After she met her husband, Roger Beumer, she became interested in fox trotting shows. She started putting fox trotter shows together once she found this new passion.

Carol was a big supporter of the Moffat County Fair. She always participated in the open horse shows at fair. As publisher of the paper, Carol would always focus on promoting fair and the junior livestock sale. Carol loved watching and helping where she could for the 4-H horse show. Carol always felt this was an important event for the community.

Carol received many awards through the Colorado Press Association. However, Carol very much treasured all the awards and championships between showing Appaloosa's and fox trotting. Carol even won a national championship in Amateur Western Trail Riding. Carol was still loading her horse into a trailer and driving to Maybell every week to ride with friends at the age of 83.

Carol took pride in getting her horses ready for shows. She enjoyed watching the children develop through 4-H. She promoted anything that bettered the community. She felt fair was a cornerstone of the community. The fair results section of the paper was very important to her and made sure all the participants at fair were recognized.

We appreciate all the years Carol contributed to fair and our community. Thank you for all the years of service you gave to your community.

Moffat County Fair
Honorary Volunteers
The Hume/Anson Families

The Moffat County Fair Board is honored to recognize the Hume/Anson Families as the 2019 Moffat County Fair Honorary Volunteers.

The Moffat County Fair Board sat down with Mardi Anson for this award.

Jim and Roberta Hume raised their family here in Moffat County upon their marriage. To this marriage were 2 daughters, Mardi and Toni and 4 sons, Sheb, Jared, Jacob and John. All of Jim and Roberta's children participated in 4-H and FFA.

Mardi, Jim and Roberta's oldest, married Mike Anson. They have 2 children, Grady and Garrett. Their children also participate in 4-H and FFA. Grady will be graduating high school this year.

Mardi's siblings all have children of their own. The entire family helps one another in the agricultural industry. The entire family is or has been involved with 4-H and FFA their entire lives.

Mardi is a 4th generation to the Moffat County area. The Duzik family migrated from Czechoslovakia in the late 1900's. The Duzik homestead is East of Craig near the Routt County line. Most of the Hume/Anson families live on farms in Moffat County today. An interesting fact is Roberta and her brother, Bob Duzik, were the first children born in the hospital in Craig. Jim grew up in Rangely, Colorado but graduated from Moffat County High School where he met Roberta. Jim worked at the old Mantle Ranch during the summers when growing up.

Jim and Roberta were foster parents in Moffat County for over 30 years. Mike and Mardi are heavily involved in

the community from being on the Chamber of Commerce Board, Kiwanis Club, Fair Board, CNCC College Board of Directors, 4-H Community Club Leader, Hockey Board and part of the Friends of Moffat County Education.

Mike and Mardi own Anson Excavation and Moffat County Limestone in Maybell, Colorado. In their spare time, Mike and Mardi's interests are with their draft horses. They do many community events with their horses. They recently started breeding draft horses. Jim and Roberta take in bum animals at their farm east of town. When Mardi and her siblings were growing up she remembers people dropping off their bum animals. Her mom and dad would raise the animals until they were well enough to sell them. Jim and Roberta would use the proceeds from the animal sale and provide Christmas gifts to the foster children they were raising along with the rest of their family. Mardi believes she got the best parts from both her mom and dad. She gets her planning from her mother and her doing mentality from her father.

Mardi's grandparents were big supporters of fair. Her grandparents donated a tractor for the tractor driving contest held at fair every year.

Jim and Roberta were volunteers of the year many years ago for their time and dedication of being foster parents to so many children in Moffat County. Some of those children also participated in 4-H while living with the Hume's. Mardi has also been recognized locally for her volunteer work throughout the community.

Mardi's most memorable accomplishments being involved in the community has been her past work at the Extension Office during 2 summer breaks in high school. She was proud to have organized and started the milk maid contest at fair. She is also proud of being past president of the Fair Board and being a major contributor to the 100 year fair.

It is with extreme pleasure and gratitude we, the Moffat County Fair Board, recognizes you as our Honorary Volunteers. Thank you for all you have done for the Moffat County Fair and we are looking forward to working with you for many years to come!

Moffat County Fair Honorary Volunteer Katrina Springer

Katrina Springer was born in Meeker, Colorado. She was raised on the Theos Swallow Fork Ranch East of Meeker on 6000 deeded acres. She attended and graduated school in Meeker. She met her husband, Shawn, while in college in Nebraska. They moved to Craig in 1998. Katrina works at Yampa Valley Dentistry in Craig, Colorado.

Katrina and Shawn have 2 grown children, Brady 21 years old and Kaylee 19 years old. Both children are attending college.

Katrina's mother and father still own and operate their ranch in Meeker along with one of Katrina's brothers. Brady will be a 5th generation rancher at the Theos Swallow Fork Ranch upon graduation from college. Katrina's mother and father raise Merino sheep. Katrina and her sister-in-law are the wool classifiers when it's shearing season. Last year the wool they harvested went to the military. The lambs are sold to Whole Foods.

Katrina is currently a 4-H Community Club Leader for about 8 years. She was also a Fair Board member and past president. She served on the Fair Board for 6 years. She also volunteers at her church, St. John's Greek Orthodox Church, where she is the Parrish Council President. She is also a past 4-H leader of the year recipient.

Katrina was a 4-H'er as a child growing up in Meeker. She showed market sheep and excelled at horse showmanship. She also took Baking as a project and was on the 4-H Council.

In her spare time, Katrina loves to cook. She did start the guacamole part of the salsa and guacamole contest at fair. She also loves spending time with her family.

One of Katrina's greatest achievements is watching children grow up through 4-H and becoming leaders in their communities by being a 4-H leader. She is also very proud of her own children participating in 4-H and FFA. Her son Brady is one of the founders of the University of Wyoming Wool Growers. She is proud that Kaylee is the president of the Safari Club at her college as a freshman. Katrina believes these accomplishments by her children are a direct result of their upbringing in 4-H and FFA.

Katrina has been a very dedicated volunteer and leader in 4-H in Moffat County for many years. With that, the Moffat County Fair Board is privileged to honor Katrina Springer for Honorary Volunteer of the year.

We appreciate you Katrina! Thank you for your years of commitment to the kids in 4-H and our community.

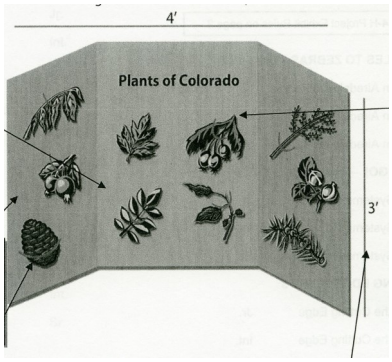
DISPLAY BOARDS, when used, must meet the following requirements:
Display boards are the only type of board to be used for 4-H projects.

Display boards are a great way to share information, but when viewers walk by, they spend only 60-90 seconds looking at each display board. Make yours stand out by highlighting the main points of your project in a fun, interesting way.

SHAPE: Design your exhibit so information fits on the display. Remember, you have 1 large surface, and 2 smaller side wings.



SPACE: Your display should only discuss one main topic. This will help it look neat and uncrowded.

ATTACHMENTS: When attaching pictures or objects to your board, make sure they are secure. Use glue for pictures and paper, and consider wires, zip ties or staples to attach bulkier items. Do not attach items that are so heavy that your board can't stand or fold.

TEXT: Make sure that all the text on your display is easy to read. Use a large font for the title, and smaller fonts for the headings and body text. Text must be readable from 3-5 feet away. Use large bold letters. Dark letters on a light background works best.

SIZE: Display boards for the county and state fair must measure 4 ft. wide x 3 ft. tall. They should be made of lightweight cardboard, but not poster board. Pre-cut boards are available at most craft and shopping centers. No part of your display may extend beyond these boundaries.

DISPLAY BOOKS: Your e-record book should accompany your board. You may use 3-ring binders or other notebooks that will keep the pages securely inside. You may not use slider-type binders.

FOODS

The following rules apply to all canned goods:

1. Except where otherwise noted, all articles in this division shall be in standard canning jars only - half pints, pints, and quarts. (i.e. no mayonnaise jars).
2. Any article may be tasted to the satisfaction of the judge.
3. All jars and glasses must be labeled on the side of the jar as follows:
    - Product name
    - Month and year of processing
    - Processing method (hot water bath or pressure cooker)
    - Altitude, time and/or lbs. pressure

*** Do not include exhibitor's name on label.
Jars not properly labeled may not be judged.

PLEASE NOTE: Our number one concern is food safety. The following precautions must be taken.

4. All jars must have rings and they must be readily removable.
5. Open canned goods such as meat, fruit, and vegetables should be taken home following judging with superintendent's permission to prevent spoilage. They will be marked if opened.
6. Processing times will be taken from the Ball Canning Book, with high altitude adjustments made for your elevation (i.e. Craig, CO 6,200'). Items not processed at high elevation recommendations, will be lowered by one ribbon.

The only exception to this rule is for Jellies. Colorado State University Extension has determined that the high altitude processing times listed in the Ball Blue Book should not be applied to jellies, since doing so would result in a severely over-processed product. Instead, boiling water processing times for pints or half pints of jelly are recommended at 10 minutes for 1,000 to 6, 000 feet, or 15 minutes at altitudes above 6,000 feet.

Canned Fruit, Meats, Soups and Vegetables will be scored according to the following: Pack 20%, Liquid 10%, Color 20%, Quality 30%, Condition of product chosen 10%, Container 10%.

QUILTS

Quilts will be entered, judged, and displayed under the grandstands. Please bring your quilts to the EAST end of the grandstand area. All general rules apply.

A quilt is defined as having three layers - top, batting and backing, and must be finished, with the exception of quilt tops. Items must not have been entered in this fair before.

To determine where to enter your quilt, first determine the general technique (appliquéd, pieced, combination appliquéd and pieced, or a special technique). Then choose the appropriate size (accessory item/wall hanging, bed, crib/lap). Then choose the class within that division that best describes the specific technique used. If your quilt is a special technique, choose the appropriate division first and then the size. Accessory items are things such as placemats, napkins, wall hangings (smaller than 30" x 50"), etc. Bed size includes twin, full, queen, and king. Crib/lap size is 30" to 45" on the shortest side and 50" to 60" on the longest side.

Amateur and Professional Classes: Please note Amateur and Professional on entry tag. Professionals are designated as follows:

- ⇒ Teaches for pay or ….
- ⇒ Has sold more than $500.00 within the past year or …
- ⇒ Has won a major award in a national show or exhibit or ….

GRAND CHAMPION AND RESERVE CHAMPION WILL BE AWARDED PER SECTION PER AGE GROUP

Dog and Horse

There will be Adult Open Classes offered after each 4-H Division.

4-H

Division 530

SHOWMANSHIP

There are no universally accepted standards for judging a showmanship class, and the winner is the one who, in the judge's estimation, does the best job of showing their dog. In showmanship, as opposed to obedience classes, the heaviest emphasis is placed on the handler's performance and presentation of dog. In 4-H Showmanship, conformation of the dog is specifically not to be considered.

Appearance of Handler
Cleanliness and neatness of handler—Appropriateness of apparel.

Grooming of Dog
Brushing (mat, dead hair) trimmed toes and nails, clean teeth, groomed according to most apparent breed type.

Exhibitor's Handling of Dog
Front Set-up: judges side first, head high (no choking), feet placed directly beneath the shoulders– toes pointing straight forward, legs should fall vertical from shoulder and parallel (within limit of the most apparent breed),
Rear set-up: Legs slightly wider apart than front-adjust the leg that is most out of line first.
Gaiting: Ability to follow direction in judge's pattern. Dog always fully visible to judge. In gaiting position, smoothness in turns, gait proper to most apparent breed (when applicable). Ability to exhibit dog's movements according to most apparent breed.
Examination: Stand properly during entire examination, does not sit or move away before or during examination. Does not growl or snap. Any dog attempting to bite a handler or anyone else in the ring, will be dismissed from the ring. Dog is happy and attentive to handler.
