3. **Psalm 119: 17-24**
   - **Principle #3: <u>The Coach</u>. *God must teach you the rules. It is not enough to memorize the rulebook*.**
   - **Practice #3: The coach is your teacher. Listen to him.**
   - **Explanation: The Holy Spirit was sent to be our counselor and guide. He will instruct our hearts. First we must memorize the rules, but within each rule are truths as to how the game is played. God will teach us directly. We need to learn to listen to the coach. There are a lot of others in the stands and on the field who would distract us with their version of the truth. <u>Pay attention to the coach.</u>**
   - **Application: How will I apply this principle in my life this week? How did I do?**
