Meditation: *EASTER PEOPLE ABIDE...*

The theme of love pervades the lessons for this Sixth Sunday of Easter. To love one another is to abide in the love of Christ. Without His love we are incapable of loving one another; but with His love we show the world what love really is -- obedience to the Lord, a sacrificial existence, a sharing of all things good and right. The world does not know true love, but the love of Christ overcomes the ways of the world that are selfish, shallow, and fleeting in nature.
