## EXPANDING OUR MISSION!

Go ahead. Take a deep breath. Ahhhh....feels good, doesn't it? As a Christian, wouldn't you like to breathe easy every time you attended the theatre, not having to worry about your faith & morals being offend-

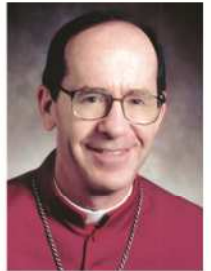

ed? Well, breathe a sigh of relief because with your help that day will soon be here! The Open Window Theatre is a new project of E.S. Productions to establish a professional studio theatre in our local Minneapolis-St. Paul, MN area, expanding our mission beyond our original evangelistic traveling plays (which we plan to continue) in order to impact our local community & arts scene through a greater variety of plays that are imbued with our Christian values. We want to produce theater you can believe in, so you don't have to worry about what you might experience when you walk through our doors and so you leave wanting to come back for more.

**But we need your generous support to make this dream a reality!** Become a visionary and help us make a positive impact on our culture! Learn how at: [www.OpenWindowTheatre.org](http://www.OpenWindowTheatre.org)

## T RACKING OUR SUCCESS

"We were blessed in the Diocese of Phoenix to have Epiphany Studios perform two productions in January of 2010. I was most fortunately able to attend both.

I am confident that the Lord will bring many fruits from the quality work of Epiphany Studios" - **Most Rev. Thomas J. Olmsted, Bishop of Phoenix, Arizona.**

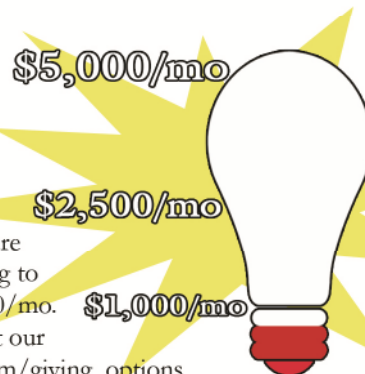

Mother Teresa once said that as Christians we're not called to be successful, we're called to be faithful. Yet if we're faithful to God's calling then He'll bring His own fruits of success from our human labors. Below are a few of our 'fruits' over the past 7 years & **remember that we can't do this work without YOUR help!**

- Over 150 traveling performances
- Performed in 20 different states and 3 foreign countries, including Canada, Germany, and Australia
- Impacted upwards of 70,000 souls
- Taught over 200 youth in grades 3-12, now into our 5th season of E-Rhapsody CYT
- 4 of our plays have been produced for televised programming on EWTN and we've been featured on numerous nat'l radio programs & print publications

**MORE TELEVISED THEATER COMING TO EWTN...**

Keep an eye out for our 2-person drama "The Vitae Monologues" & our one-man drama, "A Miracle in Lanciano" on EWTN in 2011!

The Eternal Word Television Network (EWTN), the world's largest Christian media network, will be airing two more of our popular traveling dramas on their global television network in 2011.

EWTN aired beautiful in-studio recordings of our one-man dramas, "Lolek" and "Alessandro" in 2010 and following the great success of those televised performances, EWTN brought us back to produce equally impressive in-studio recordings of our groundbreaking pro-life drama, "The Vitae Monologues" and the very first of our one-man dramas, "A Miracle in Lanciano".

Keep an eye out and check your local listings for channels and programming times. Please also keep an eye on our website schedule for more information & sign up on our website to receive our occasional email updates to get a timely reminder!
