

Bonding Psychotherapy Vision Workshop

Jeff Gordon, Teaching Fellow

ESBP Meeting, Vittorio Veneto
29 May, 2010

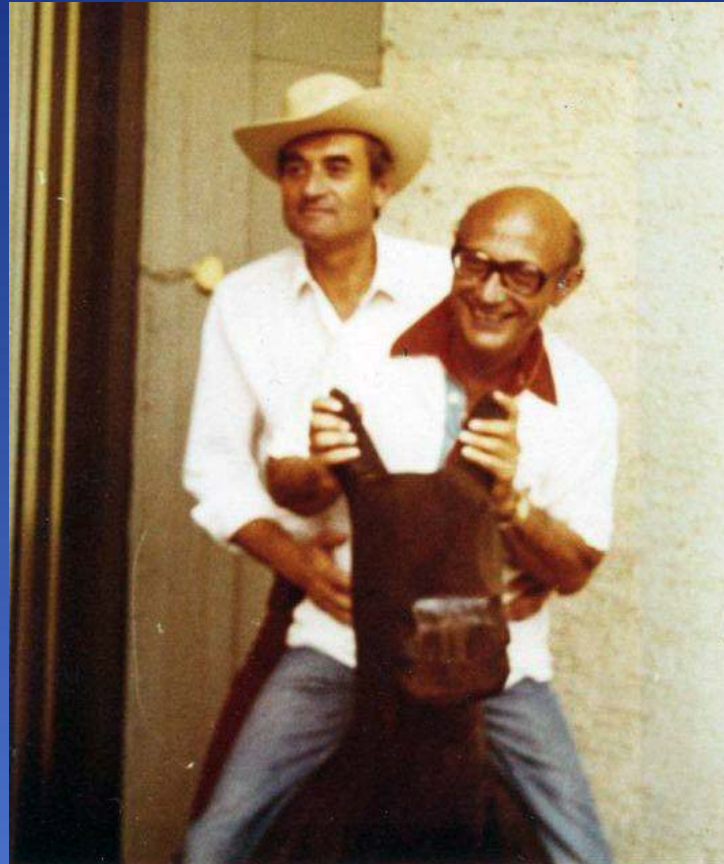

Dan Casriel: a vision of a more humane world.

- Humans need closeness, and they need each other for fulfillment.
- We are loveable at our core

- **George Rynick: a bridge between the US and Europe.**

- In Germany, Walther Lechler: the healing community (Bad Herrnalb model)

Carrying the tradition forwards

- Ron Kissick
- Johan Maertens, Skip and Marilyn Ellis
- Konni Stauss: development of a scientific theory
- 2010: EAP application

Where do we go from here?

- A vision is not just a picture of what could be; it is an appeal to our better selves, a call to become something more. ~Rosabeth Moss Kanter

Meeting in groups of six

- Your national chapter now
- Your national chapter 5 years from today
- The international organization 5 years from today

Your national chapter now:

- **What do you think needs to be changed or improved?**
- **What do you cherish, what do you hope to keep, continue or enlarge?**

Your national chapter 5 years from today:

- What are your hopes and positive visions?
- What would you need to feel more at home in the chapter?
- What would the chapter offer you that you need, professionally and personally?
- What would you like to be giving to the chapter?

The ISBP 5 years from today:

- What are your hopes and positive visions for the international organization?
- What would the ISBP offer you that you need, professionally and personally?
- What would you like to be giving to the ISBP?

The end?

No, the story goes on!
