NOTE: The Missouri statute creating the MHIP specifically states that a person eligible for Medicare Parts A & B is not eligible for coverage through the MHIP. Since there are a few rare circumstances where a Missouri resident is 65 or more years and not eligible for Medicare, we do have premium rates for persons over age 65 years. To be covered through the MHIP, such persons need special approval. If you need these premium rates, you must contact the MHIP Executive Director at 1-800-821-2231.
