

PRE-CONFERENCE CLASS REGISTRATION FORM

2010 JOINT CONFERENCE – SAVANNAH, GA

TUESDAY, AUGUST 3rd AND WEDNESDAY, AUGUST 4th

Registration Fee: \$60.00 PER CLASS

TRAINING CLASS # 1 - Location: to be announced

TWO-DAY SESSION: - "ISO GRADING PROCESS"

Class starts at 8:30 a.m. – Go Directly to Class Location. Refreshments and Rehab will be provided. Lunch is on your own.
CLASS DESCRIPTION: Representatives from the Insurance Services Office (ISO) will discuss the fire rating process. It includes a historical perspective of previous grading schedules and an overview of the current Fire Suppression Rating Schedule. All grading items and the individual weighing assignments in Fire Alarm, Fire Department, and Water Supply will be covered in addition to the importance of Needed Fire Flows.

TRAINING CLASS # 2 - Location: to be announced

TWO-DAY SESSION: - "VEHICLE EXTRICATION "

Class starts at 8:30 a.m. – Go Directly to Class Location. Refreshments and Rehab will be provided. Lunch is on your own.
CLASS DESCRIPTION: Representatives from Municipal Emergency Services Co. will again partner with GSFA and GAFC to bring a two-day extrication class to Savannah. With the UGA Extrication School now non-existent, the need for extrication training opportunities is greater than before. Changing vehicle technology and tool capability demands firefighters stay on top of this information to maintain proficiency in their skill sets. This will be a 'hands-on' class and requires attendees to provide their bunker gear.

**TRAINING CLASS # 3 – Savannah Fire Training Center
TWO-DAY SESSION: - “FIRE GROUND AND T.I.C OPERATIONS ”**

Class starts at 8:30 a.m. – Go Directly to Class Location. Refreshments and Rehab will be provided. Lunch is on your own.

CLASS DESCRIPTION: *This is the HOT class you have been asking for. Two days of fire ground and thermal imaging camera operations. Taught by David Bullard (Martinez-Columbia Fire Department) and a cadre of other instructors, this class is sure to be well worth attending. The class will be taught at the Savannah Fire Training Center and will require attendees to bring bunker gear and SCBA.*
