Do you want to add \$12 to your GSFA Dues to join the National Volunteer Fire Council? (This is a new benefit of GSFA membership. See our website for complete details).

() Yes, I have added \$12 for NVFC Membership.

GSFA MEMBER BENEFIT ANNOUNCED

The National Volunteer Fire Council (NVFC) is offering a special membership to your State Association (GSFA) called the All State Memberships. This offer provides our members the opportunity to join NVFC at the discounted rate of just **\$12 per person per year**, while taking advantage of all of the NVFC's extraordinary benefits:

- A subscription to the NVFC quarterly newsletter, *Dispatch*
- \$10,000 ACD&D insurance through VFIS (This policy covers each NVFC personal member for \$10,000 in the event of an accidental death, and an additional \$10,000 if death occurs while acting on behalf of the organization in an emergency service capacity. Additionally, this policy covers accidental dismemberment).
- Membership in the FASNY Federal Credit Union (Firemen's Association of New York) - which offers online banking, mortgages, auto loans and more all at competitive rates.
- Member access to the NVFC website
- Personalized membership card
- Access to the NVFC email updates, which includes NVFC, Heart-Healthy and Fire Corps
- Discounts on NVFC publications & materials
- Discounts on tickets, restaurants, clothing, and more through *Working Advantage*
- Waived application fee and 10 percent tuition discount through Columbia Southern University.

NOTE TO GSFA MEMBERS: GSFA serves as the State Association Member from Georgia on the National Volunteer Fire Council. They have offered all of these benefits to our members for only \$12 per person annually. The \$10,000 ACC/D benefit is exceptional; but more importantly, access to membership in the CREDIT UNION with FASNY for only that \$12 fee is one benefit you will not see again for a long time. How many of you have ever wished that you belonged to a credit union where you can apply for loans, instead of a bank or finance company being your only option?? To take advantage of this offer/new benefit, all you need to do is send us an extra \$12, (along with your GSFA membership dues (\$25), and mark it for the NVFC membership. That's all there is to it. It's easy. We'll handle the rest. I encourage you to take advantage of this offer TODAY!
