

“Wipe Yer Paws” Self Service Dog Spa and Pet Boutique

Bridging the Gap Between High-Priced Grooming and Messy Bathrooms . . .

Summer is a great time of year for us dogs. Especially here in Lake Norman, this is a time when we look forward to going out on the boat, swimming in the lake, and rolling around in mud puddles in the park. Yes, summer’s a great big muddy blast! The only down side to all of this summer fun is when our people make us take baths. What a mess! That was, until my person discovered Wipe Yer Paws! It is such a great place, I wanted to tell all of you other dogs all about it.

Wipe Yer Paws is a self-service Dog Spa and Pet Boutique. Since opening its doors in April, it has been helping to make Lake Norman dogs beautiful ever since. Instead of going to a pricey groomer, your favorite person gets to come with you and spend some quality time with you while making you gorgeous. (But if you need it, there is always someone around to help.) There are private wash bays which can be closed off for privacy and convenient grooming tables available. Wipe Yer Paws supplies shampoo, conditioner, brushes, and clippers. As a Golden Retriever, I love the way the spa products make my coat so glossy and soft. There are also towels, and ear and eye cleaning wipes to help me look my best. One of the best things about coming to Wipe Yer Paws is that my person has more time to play with me instead of spending his time cleaning a messy bathroom after my bath.

Speaking of play, the dog boutique is really something to bark about. I love to sniff around and check out their selection of creative dog toys, water toys, designer collars, and so much more. They also have my favorite – gourmet treats! They even carry “Barbara Canine Biscuits.” I’ll roll over for these any day!

For my teeth, Wipe Yer Paws carries PetzLife Oral Care Spray and Gel (Dr. Formulated & Veterinarian approved). This product is a 100% natural formula, kills bacteria on contact, removes plaque and tarter, eliminates bad breath, reverses oral disease, and saves you money on vet bills. They claim it will increase my lifespan by 3 to 5 years! It is in spray and gel form in wild salmon oil gel. www.petzlife.com

One of the best things about Wipe Yer Paws is that it is so affordable. Forget about all of those high-priced groomers. At Wipe Yer Paws, you get to have fun, be beautiful, and hang out with your person for a really nice price:

- Small up to 20lbs. \$14.00
- Medium 21-40lbs. \$16.00
- Large 41-80lbs. \$18.00
- XLarge 80lbs. & up \$20.00

Wipe Yer Paws loves rescue dogs, and it offers a discount for the first dog wash visit for rescue dogs. All dogs get to be a member of the “Wash Club,” where for every 6 washes you buy, you get the 7th wash for free.

Wipe Yer Paws is located on Webbs Road behind “Sweet Things” off of Hwy 16 in Denver. They are open between 10 am and 6 pm Tuesday through Thursday.

So, now that you know all about it, it’s time to sit up and beg, beg, beg your person to bring you to Wipe Yer Paws Self-Service Dog Spa and Pet Boutique. Bridging the gap between high-priced groomers and messy bathrooms!
