

At last year's STAR POWER conference, we signed up with Pro Step Marketing. Their team helped us create a one-of-a-kind brand and a web marketing strategy that incorporated our slogan, 'Pick The Perkins.' We can't say enough about the logo design, postcards, presentation materials and our new website. Our *Action Agent™* Web System is powerful. In a down market, our business is going strong – that's the proof."

Roger Perkins
