In the meantime, we would like for all interested
Entrepreneurs to continue to provide as much information
about their services as possible using this email address:

National Bulletin Board Synergy Session

www.mcclainministries.org

Our intention is to be a liaison for those who have needs for services and those who provide services. Obviously we will not be able to meet every need in every area - initially. The goal, however, is to build a nationwide data base that will eventually match every need with every service.

The Bulletin Board will be located on our website and will feature services available to our members. The way it will work has evolved:

Anyone requiring services such as a handyman, roofer, caterer, legal aid, babysitter etc. can just simply go to the Bulletin Board link located on the Homepage of the website and click onto "National Bulletin Board Service." Once there you will find all of our Entrepreneur Services listed by category, i.e. Insurance, Financial, Health & Beauty etc. After clicking onto the desired service - you will be given the option of selecting the State (LA, MS, NY) in which you need the service. Click onto the State and a list of Entrepreneurs will be available. Section of any of the Entrepreneurs will take you to their website or portfolio with full details of their service.

Please mark your calendars:
