GOD SPEAKS TO OUR GENERATON

Life continues on, even as we face national hardships, terrorists, and trying times. We are no strangers to struggle. Human beings are created to survive and thrive. We are created to look beyond ourselves for deeper meaning. This message is designed to provide that insight.

PRAYER OF COMMITMENT

Do you sometimes pray about a problem with seemingly no results? There are often times when we need to pray the prayer of commitment. Once you learn the proper application of this kind of prayer, your life will never be the same again.

We have received the Prayer of Commitment God wants us to pray. The prayer of commitment is a one time prayer that we will all pray together on

Friday, July 1, 2005 at 6:00 PM.

(mark your calendars and set your alarm clock, you don't want to miss this life changing event-see prayer below)

PRAYER

“Heavenly Father, in the name of Jesus, I believe you have made provisions for every situation and circumstance that arises in my life and in the lives of my love ones. I know it is

your desire to reveal Yourself to me through the Holy Spirit. I receive the Revelation Knowledge that allows me to be a vessel through which Your grace and power will be demonstrated in the world.

Father, I confess from this moment forward I will bring all of my cares to You to resolve in the way that pleases You. I acknowledge You as my Heavenly Father and I believe You have the solutions already in mind. Thank you for revealing the answers through the Holy Spirit. I receive the fruit of joy and peace that this prayer of commitment will produce in my life. Amen.”

GOLDEN NUGGETS

“DO WE EVER ARRIVE?”

Life is a **JOURNEY**, not a destination on this side eternity. Paul realized this and was more focused on the right process in his life, he was more intense about how he journeyed. Get the journey right and the destination will take care of itself.

GOD'S NEW GLASSES

God sees us with new glasses not because He **NEEDS** to, but because He loves us, and **WANTS** to! The Bible says we “put on” Christ when we are baptized. (**Galatians 3:27**) That means that when God looks at me, He doesn’t see an unforgiven sinner dressed in the rags of my own depravity or self-righteousness. Instead, God sees the beauty, perfection, and purity of Jesus

God wants to do works of faith with power in you and through you. When you exercise faith, it links God's power with your works. "All things are possible," Jesus said, "to him that believeth!"

NATIONAL BULLETIN BOARD UPDATE

The Bulletin Board is intended to be a liaison for those who have needs for services and those who can provide services. Our main focus, at this point, is the creation of "electronic services portfolios," for those who have services to offer, I would like for you to provide specific information regarding your services. The electronic portfolio should contain brochures, photos or any material that describes your product or service. You may even have a PowerPoint presentation that we can place in your portfolio. We feel this level of information will give the individual in need of the service a clear picture of your product. So, if you already have a small business or looking to create one, let me hear from you.

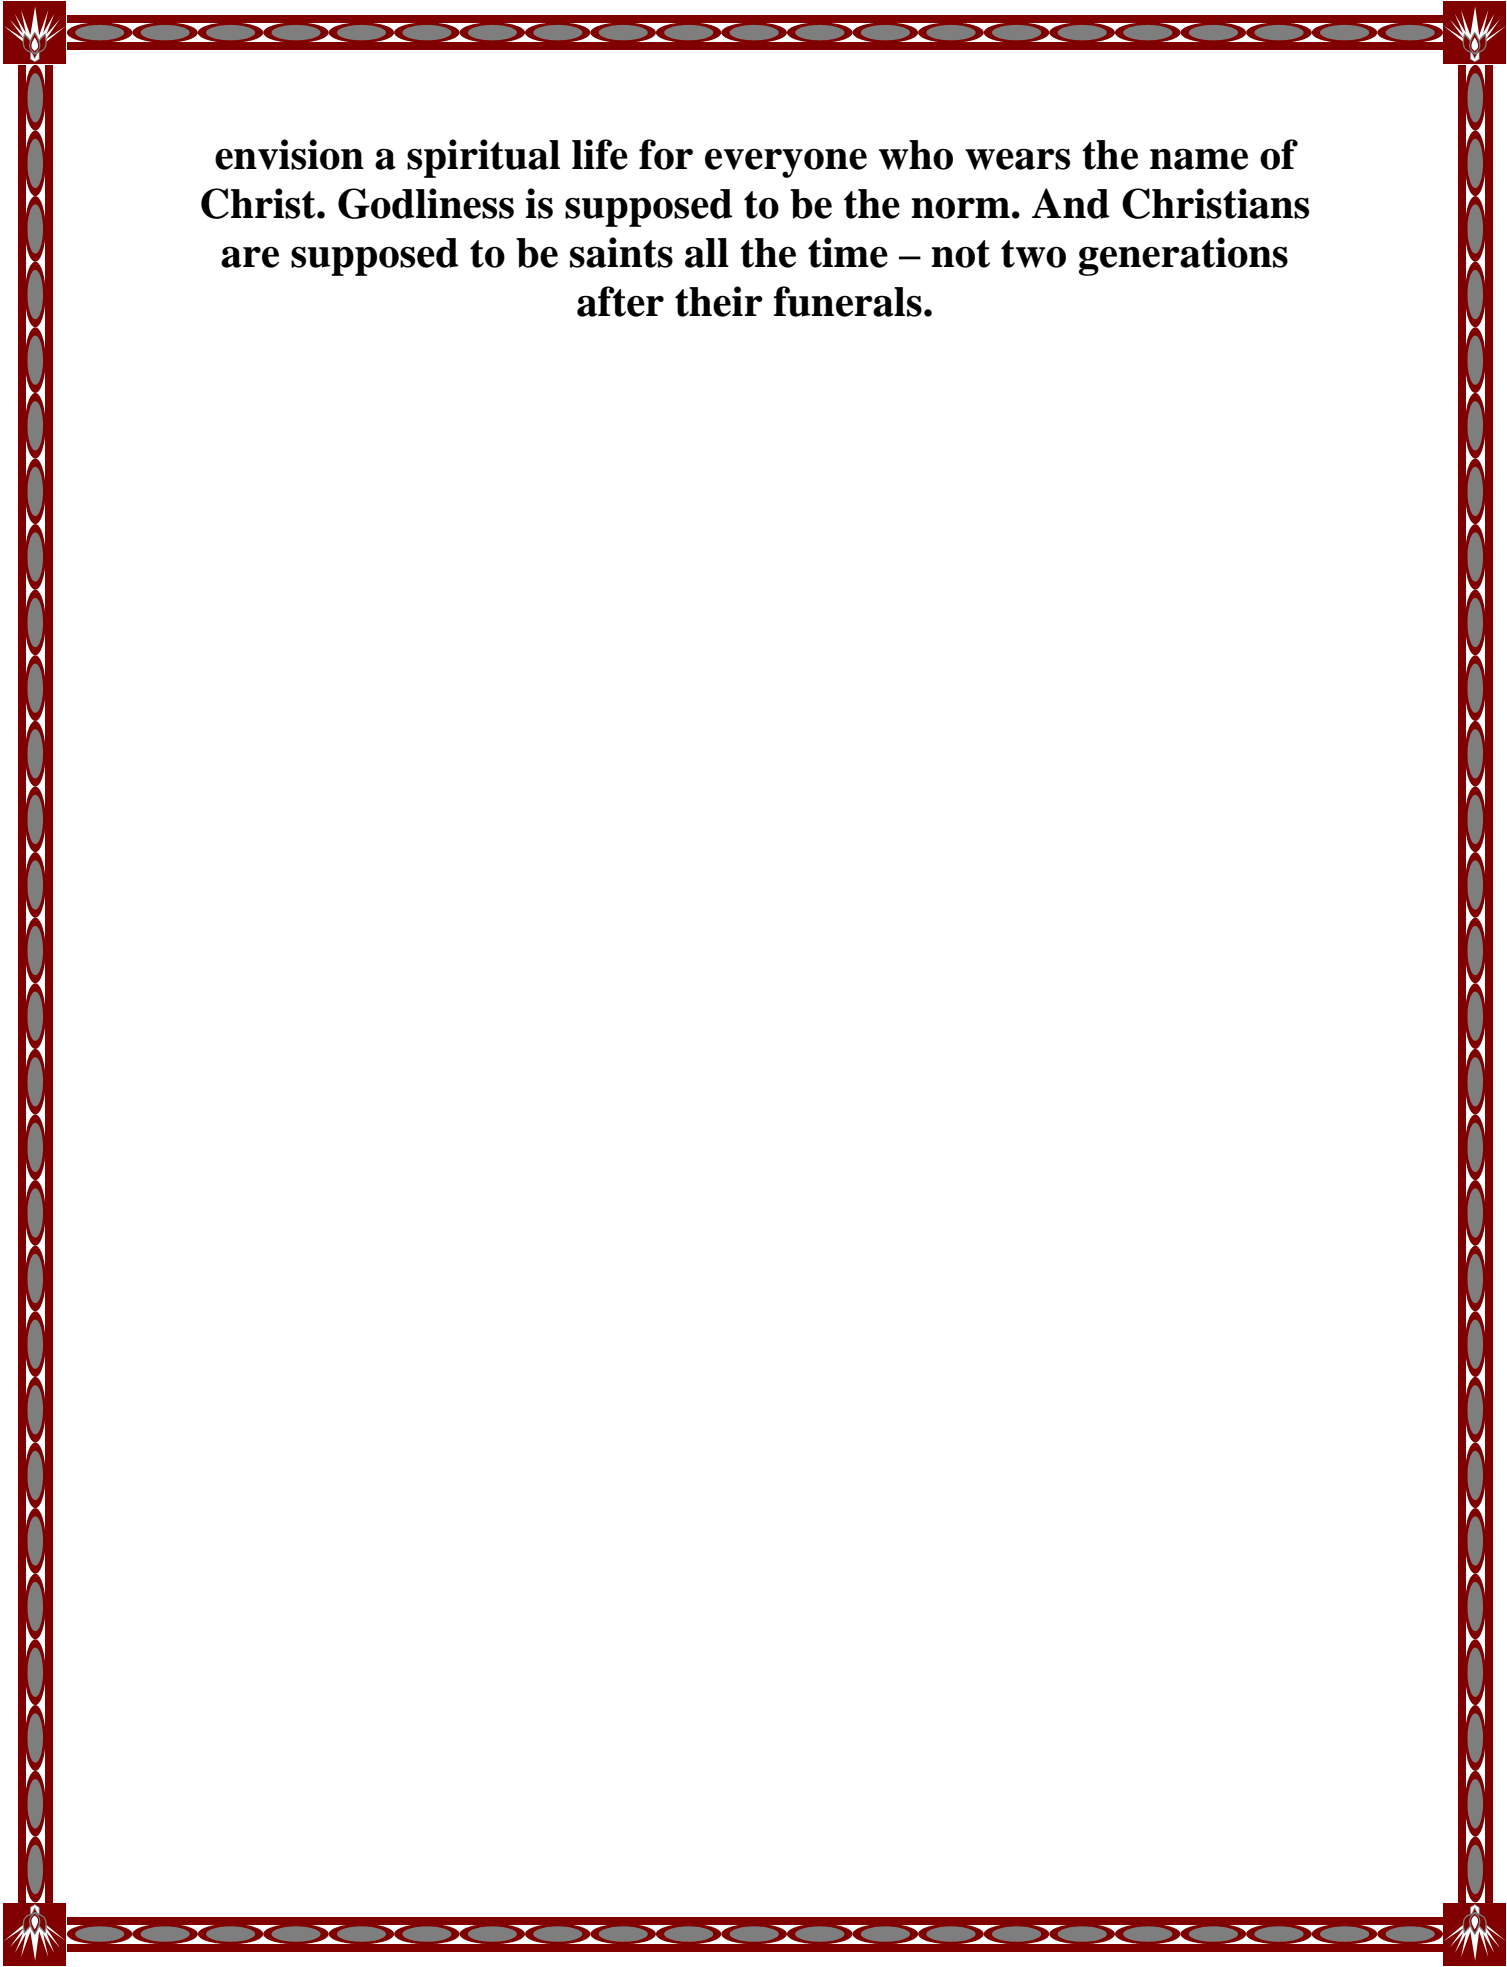

GOD SPEAKS TO OUR GENERATON - PART II

"Do We Need A New Church?"

There are some weird ideas floating out there about church and spirituality that discourage and damage people. And I'm not just talking about the ones that involve drinking Kool Aid from a washtub or walking barefoot on hot coals.

The fundamental mistake most of us make is to think that "being spiritual," that being a part of the Body of Christ is a rapturous state of mind or unique lifestyle reserved for the elite. Correct me if I'm wrong, but the Bible appears to

envision a spiritual life for everyone who wears the name of Christ. Godliness is supposed to be the norm. And Christians are supposed to be saints all the time – not two generations after their funerals.
