

## ***Spiritual Warriors Prayer Guide***

***Are you a Warrior for Jesus? Do you enter the enemy's camp seeking lost and desperate souls? The devil will shoot fiery darts at you for being in his territory. Do you run to a safe place instead of standing up to satan with the Sword of Truth? War is a very serious business. We are equipped with the Word and ready for battle. Let's put on the Whole Armour of God and go to work with this 37 page prayer guide.***

### ***Introduction To Spiritual Warfare***

***The basic theme of this message is to teach what Jesus taught, that which took men who were fishermen, tax collectors, etc., and changed them into reproductive Christians who reached their world with the Gospel in a demonstration of power.***

# ***How To Experience The Power Of God***

***You have learned many principles of spiritual power in this ministry. In this particular message, these principles are summarized and final guidelines given to enable you to experience the endowment of spiritual power about which you have studied in other lessons.***

## ***Power Failure***

***When there is a power failure, spiritual progress comes to a standstill. Lives are not changed through the power of the Gospel. The sick are not healed.***

***Demons are not cast out.***

## ***The Battle of the Mind***

***Satan's primary assaults occur in our thought life. The mind is the main battlefield in spiritual warfare. Every attack of satan involves the human mind.***

***This message focuses on the battle for the mind. It discusses the strategies of satan and gives spiritual counter strategies for victory over his attacks.***

## ***The Battle With The Tongue***

***In the previous message you studied one of the main battlefields of spiritual warfare, the mind. What happens in the mind affects the tongue and the tongue affects the spirit, soul and body. This message concerns another***

*major arena of spiritual warfare, the battle with the tongue.*

## *Dealing With Demonic Powers*

*If you are to wage effective warfare, you must learn how to deal with demonic powers that obsess, oppress, or possess the body, soul, and spirit. There are people all about you who are tormented, troubled, and even possessed by the powers of darkness known as demons. This message presents guidelines for ministering to those affected by demonic powers.*

## *The Perfection Process*

*You must move beyond the point of just receiving blessings, to being a blessing. You must become a demonstrator instead of a spectator; a doer instead of only a hearer. When you do so, you will experience the true flow of God's power. You will experience a life force and anointing within you which you have never before known. You will experience life after religion. You will be on your way to perfection.*

*When Jesus began His public ministry, it was a ministry of miracles. His ministry did not succeed because of its great organization. He started with twelve disciples and ended with eleven. It did not succeed because of popularity. In the end, everyone turned against Him including His own followers. His ministry touched the multitudes because of the demonstration of power.*

# *How To Face The Enemy*

*Always remember that Satan is behind every force that challenges true spiritual power.*

*The power and authority of Jesus was challenged often during His earthly ministry. After Jesus was baptized in water and the power of the Holy Ghost came upon Him, His power was challenged by Satan in a series of three temptations*

## *Invasion*

*You have answered the call to arms and been inducted in God's army. You have studied about enemy strategy and territory. You've learned about God's battle plan and been armed with defensive and offensive weapons. With this message you actually enter the combat zone and begin to fight!*

*This message also focuses on Satan's strategies and Scriptural counterstrategies for overcoming his deceptive tactics. "Strategies" are the science of forming and carrying out military operations. They are the methods or plans which lead to victory.*

## *Battle Over The Walls*

*Are you trying to rebuild your life and experiencing attack from every direction? Are you facing Criticism, Mocking, Lack of Support and Diversion? There are*

*spiritual walls Satan has targeted to destroy in your life. He wants to destroy your praise and Christian witness. He wants to destroy the work of the cross and the Holy Spirit in your life. He tries to keep you from studying God's Word and acting upon its truths.*

*Satan wants to defeat you in spiritual warfare, prevent self-examination, and entrap you in the works of the flesh and the old sinful nature. He wants to destroy your hope in the return of Jesus. These are your spiritual walls, and Satan attacks them with strategies identical to those used in the battle over the walls in Jerusalem. This message focuses on the battle over the walls of your spiritual life and how you can experience victory in that battle!*

## ***Battles Over Strategic Territory***

*Previous messages focused on major attacks of the enemy on the mind, the tongue, your spiritual walls, and the combat zone of the world and the flesh. This message continues the study of specific targets of the enemy focusing on the strategic territories of the physical body, the family, finances, and attacks through human personalities.*

## ***Spirit Transference***

*After gaining some experience in warfare, soldiers usually receive more advanced instruction in specific areas of warfare. This portion of the warfare manual is entitled "spiritual warfare advanced training," the initials of which spell "SWAT." In military action, a "SWAT"*

*team is a specialized group of soldiers used for difficult missions.*

*In this message you will study one of the most powerful and influential strategies used by Satan. Recognition of this strategy will answer many questions you have had in the past as you witnessed negative changes in your family, friends, and church fellowship...perhaps even in yourself.*

*The strategy of which we speak is called "spirit transference."*

*This powerful strategy of spirit transference accounts for many of the spiritual battles fought by believers today. It accounts for the abrupt changes from positive to negative behavior which we witness in those around us. It explains why two children, raised in the same home, who receive the same Christian training, can turn out so differently. It is the reason behind divisions in homes, friendships, and church fellowships. When you maintain close association with or come under the influence of a person with a spirit more powerful than yours, you are open to the transference of that spirit to your own spirit. You are influenced by that spirit and it is transferred to you.*
