Sylvia Washington-Jackson, MS (601) 981-0351

MAKING A DIFFERENCE

McClain Ministries is 'virtual' in nature and probably unlike any other ministry you know. It is my sincere desire that it provides the opportunity for its members to display their unique talents and abilities. Although currently we have four volunteer groups referred to as 'teams', my hope is that they will become expert in their assignments and fully functional ministry departments. Departments willing to assume and carry out the responsibilities assigned them. Want to know more about this unique ministry:

✉ 1050 Ridgeside Drive

Every day we receive praise reports from people being saved and delivered out of darkness and into the light. People are walking in victory through faith in God's Word. Everything we do is about ministering to you. We have you in mind when we publish the newsletter, study material, tapes, and even as we sow seed into other ministries. We appreciate you. But more than that, we believe God for your success.

God is saying to the entire Church, "Come and receive what I have for you; I am calling you to a special work and I want to equip you for the task." It has been thrilling to see the gifts exercised effectively and beautifully ministered in the Body of Christ. To see it bring glory and honor to God. It's exciting to watch Spirit-filled Methodists, Catholics, Pentecostals, Baptists, Episcopalians, Charismatics, and Fundamentalists walking in the gifts of the Spirit. And through their gifts, see the afflicted healed and set free through the power of the Gospel.
