MESSAGE FROM THE HEART (God is Moving)

May 8, 2006

(Colossians 1:9, 10)

Central Thought: The revelation of our creative potential will help usher in the era of God's promise to fill the whole earth with His Knowledge.

I want to personally thank those who attended our first Bulletin Board Synergy Session and what a powerful session it was. Your support was fully appreciated. The 'Brain Storming' was awesome. So many ideas to nourish. . .

As I've stated in the past, this **bold initiative** will take consistent sustained effort and unwavering support by the entire ministry.

The ideas discussed in Saturday's session will soon be published on our 'Blog Site,' together with a request for comments from those who were unable to attend.

The feedback we've received regarding the National Bulletin Board project has been nothing less than overwhelming. And has truly gratified my heart and strengthen my resolve to complete the **Entrepreneur Vision**.

How exciting to be a part of this dramatic move of God in His effort to bless the 'doers' in the earth. As believers moved from a consumer based position into that of a provider, the Holy Spirit will strategically make resources, both tangible and intangible available to get the job done. The greatest resource that the Holy Spirit will provide is that of the Human quest to go beyond merely being blessed to that of being a blessing.

The twenty first century holds the key to accomplishing mighty exploits in name of our Lord and Savior. God's wisdom coupled with emerging technology has placed us on the eve of unprecedented discovery. This time in history will be marked by Believers' true awakening to the creative potential our Heavenly Father has instill in us. The revelation of our creative potential will help usher in the era of God's promise to fill the whole earth with His Knowledge.

Are you ready to take your place in the dawn of a new age? And for many of us a new beginning. I challenge you to step up to the window of

opportunity and withdraw your creative potential from the bank of heaven. **There will be no other time as this in the history of mankind.** God is moving and I highly recommend we move with Him.

What are your hopes and dreams? It is not to late. . . in fact, the time is perfect to allow God to help you make them a reality. God is indeed moving, let's move with Him!

Scriptural References:

“For this cause we also, since the day we heard it, do not cease to pray for you, and to desire that ye be filled with the knowledge of his will in all wisdom and spiritual understanding; That ye might walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God.” (Colossians 1: 9, 10)
