

Introducing Robert Convery

Maintenance Supervisor – Pier 3 Condominium Association

We are proud to announce that Robert “Bob” Convery has joined the FirstService Residential team at the Pier 3 Condominium as its Maintenance Supervisor. Bob brings with him more than seven years of experience working in Philadelphia in the condominium and apartment settings.

Prior to joining FirstService Residential, Bob was in charge of Engineering at The Hotel Monaco. Bob also spent time at The Phoenix and Strickland Row Condominiums in similar positions. Bob is proficient in electric, plumbing, carpentry, HVAC (Universal Certification), appliance repair, and general maintenance duties. Bob is highly motivated, self-starter, strong organizational and verbal communication skills, and can coordinate maintenance or construction tasks both rapidly and efficiently.

Bob's greatest strengths are his creativity, drive and leadership. He thrives on team work and challenges, and has a strong knowledge of customer service.

Bob lives in Philadelphia with his family. In his spare time, Bob enjoys outdoors activities, pets, survival techniques, and sports.

Bob looks forward to serving the Pier 3 community, and creating a well-kept and thriving community.
