▶ If so, we would like you to visit the Prayer Furnace of Chicago, an International House of Prayer located in our very own beloved city. We would love for you to join our community. There are currently openings for singers, musicians, and worship leaders.

Mary of Bethany extravagantly worshipped Jesus by pouring her alabaster flask of costly perfume onto His body. For this, the disciples criticized her; yet Jesus commended her. It is our desire to worship Jesus in this way, pouring out our lives before Him. We long for the Prayer Furnace to be a place of encounter—a place for personal transformation, fresh revelation, and training in the Word; a place where hearts are set free and bodies are healed; a place where believers are unified and fresh direction is received; a place where we can gather to intercede for the in-breaking of revival.
