Dear Grandchildren,

I have left a gift for you at my Temple. It is yours for the asking. I hope that through this gift you will get to know me and our family a little better.

Please contact the Archivist or Librarian at:

*The Temple
Congregation Ohabai Shalom
5015 Harding Road
Nashville, TN 37205*

Please remember, grandchildren, that when all is said and done, family is the most important thing of all.

Please leave a copy of this letter with your Last Will and Testament, so that your grandchildren may share in my gift to you.

Take care of each other.

Love,
