WE APPRECIATE YOUR BUSINESS

CANCELATION POLICY ENFORCEMENT:

In order for us not to raise **ALL** prices, we have to charge for “No Shows”. We will accept a credit card over the phone for your missed appointment **TIME** before rescheduling you. We have been very kind about “No SHOWS” for 10 years without charging. Clients have asked for a waiting list. If appointments are not canceled in advance, there would be no need for a list. Please understand as we stated before. The enforcement will help us **NOT** to raise more prices on appointment times.

Thank you for your cooperation.
