Dr. Jack Graham, Pastor

our Purpose
in Worship

"These things I have spoken to you that you may have peace. In the world you will have tribulation; but be of good cheer, I have overcome the world." John 16:33

This weekend, in light of our nation's great tragedy, Pastor Graham will speak on "One Nation Under God" from John 16:33. This

will be a message of healing and hope. As President Bush has said, terrorist attacks may shake the foundations of our largest buildings, but they cannot touch the foundation of America. Our ultimate foundation is Jesus Christ. During this time of tragedy and tribulation, this message will bring faith, hope and reassurance.

Everyone is dealing with this tragedy on different emotional levels. But we all have the same God we can turn to. When everything seems out of control, it is comforting to know that Jesus is still in control.

Our ultimate foundation is Jesus.
