

April 2nd, 2008

The West Indian Softball Association (WISA) league is off and running for 2008 unofficially. In what is becoming a very popular event, WISA's 10 Over Round Robin concluded last Sunday. It was a very 'chilly' but exciting two weeks of cricket. The participating teams were divided into eight groups (A thru H). The winner of groups A & B was Royals. Dynasty took the runner-up spot while Warriors earned third place. In group C, Richmond Hill Sports Club beat Scramblers.

Bronx Stars beat Bush Lot in Group D while Exquisite Realty took top billing over Triumph in Group E. United CC won over Ozone XI in Group F and Cornered Tigers 2 beat Caribbean Stars in Group G.

WISA officially starts its 2008 season on April 6th with its 25 Overs competition. Please come out to your neighborhood parks/playground and support softball cricket.
