

Attention ALL Small Group Leaders!

Ginger Allen and Tom Morris were so gracious this summer to spend countless hours studying our church.

One of the things they looked at was the goal Sierra Vista had 5 years ago to become a church OF small groups.

They would like to see how far we have come in this process. If you are a leader of a small group OR you participate in a small group, would you please fill out the following information. I would be most appreciative.

Thank you for helping us in our journey to become a Christian community that exists for the larger community.

Rick Lemberg

Group Leader(s) : _____
