Re: National Night Out

On Tuesday, August 4, 2009 neighborhoods throughout Port Huron are being invited to join forces with thousands of communities nationwide for the "26 Annual National Night Out". The event promotes police-community partnerships; crime, drug and violence prevention; safety; and neighborhood unity. Neighbors are asked to turn on their porch lights, lock their doors and join their neighbors outside.

Blue Water Christian Church was invited to host an event for our neighborhood by the Port Huron Police Department. We have accepted the challenge and are planning a block party for the area around our church encompassing approximately 16 blocks. We will be hosting a picnic, serving dinner and providing a variety of activities from 6:00 – 9:00PM on the 4<sup>th</sup> of August. We will be starting up a local neighborhood watch with sign up at the event. Local Police officers will be dropping by the event as well.

We are asking for the support of the businesses who we also consider a part of our neighborhood. We are looking for any of the following; a financial gift to help with the purchase of food, supplies for a children's activity area which will include an inflatable bounce house, food items, beverages and or snacks, or give away certificates or items. We would really appreciate any help you could offer us. We are a small local church who wishes to impact our community.

We will be notifying our neighbors by passing out flyers. We will list all our supporters on this flyer. We do not have a lot of time before this event will be taking place. Please consider how you might become involved so we can include your business name on our flyers. We can be reached at 810.984.3774 church, or my cell 989.297.1620 (Vicki Clark). Thank you so much for your kind consideration.

Respectfully,

Pastors Bruce & Vicki Clark
