To drill it into people more		
I think it would be cool but it wouldn't be that much of a difference since we already saw the presentation		
They're real life stories		
It could help people that maybe didn't see it this time		
It would reiterate a possibly forgotten subject		
Interesting, real		
Do it differently. More images and visual aid for presentation		
The people were easy to relate to and understand		
I think it is important that teenagers get that constant reminder that life can be more than experimenting with drugs and alcohol		
He seems cool		
Scares kids		
It was a good presentation with a good message		
I think you should have the same people and more		
So we can hear more stories		
Our school needs it		
It was better than the lady that tells about sex		
Good		
To younger. As high schoolers we know most of those things already. For HS a little more in depth would be nice		
Next year for future classes-they get the message across well		
They make you think about this stuff
