

WORD BREAK

Dear Child of God,

Welcome to our first edition of “WORD BREAK” which is designed to give you a nugget from God’s Word to strengthen your daily walk.

We are going to give you one of ten items you can check off yourself, to make sure you are standing in faith instead of doubt and unbelief. Hebrews 11:1 says,

“Faith is the confidence that what we hope for will actually happen; it gives us assurance about things we cannot see.” (NLT)

The McManus version says, *“Faith is the supernatural ability to hit the bull’s-eye of the Target that is set before me even though I cannot perceive that Target with any of my five senses.”*

What are you believing for? Do you have a specific target? A successful deer hunter knows the specifics of the deer he or she is after. A successful fisherman knows the exact species he or she is fishing for.

Likewise, a believer who is successful in using his or her faith never stops looking at their designated target. Today, I want to encourage you to get alone with God and make sure you know God’s specific goal or target for your life.

Super Bowl championship teams did not receive their rings by just living any old way or doing any old thing. No, they established the target they were after long before the regular season ever began; they then kept that target before their eyes no matter what obstacles came their way.

If you are sick in body, begin to see yourself well. If you need a job, see yourself employed. If you are in debt, see your bills paid off, etc.

Remember faith always has a target, a goal, a vision, a destination. Keeping that vision before you will assure you that you will not perish.

Thank you for joining me for this edition of “WORD BREAK”. See you this Sunday!
