

WORD BREAK

004 – THE GOD KIND OF FAITH CHECKLIST (#4) Is my target more real to me than the problems I am facing ?

Dear Child of God,

Welcome to our fourth edition of “WORD BREAK”, which is designed to give you a nugget from God’s Word to strengthen your daily walk.

The fourth question to ask yourself is, “Is my target more real to me than the problems I am facing?”

If your answer to this question is no, then you need more of God’s Word inside your spirit. Let’s take a look at 1 Corinthians 4:18 in the following translations.

18 We concentrate not on what is seen but on what is not seen, since things seen are temporary, but things not seen are eternal. CJB

18 Since we consider and look not to the things that are seen but to the things that are unseen; for the things that are visible are temporal (brief and fleeting), but the things that are invisible are deathless and everlasting. AMP

18 So we don't look at the troubles we can see now; rather, we fix our gaze on things that cannot be seen. For the things we see now will soon be gone, but the things we cannot see will last forever. (NLT)

You may ask, “How do I know if my Word level is high enough to obtain victory over the situation I am facing?” The answer is very simple. When you have enough of God’s Word in you to win over the problem you are facing, the unseen answer God’s Word is promising you will become more real to you than the trouble you can see with your natural eyes.

God’s Word is eternal; problems are temporary (subject to change). Keep putting God’s Word in you until that Word which promises you your target, becomes far bigger than any problem or situation that stands before you.

The Unchangeable Word will change the trouble that is coming against you. God’s Word cannot change, so your situation must.

Stay with the Word! Keep your target bigger than the problems you are facing!

Thank you for joining me for this edition of “WORD BREAK”. See you this Sunday!
