A Note from Ms Kirstin

I hope everyone had a relaxing Thanksgiving Break. Thank you to those who brought boxes or items to fill the boxes for Operation Christmas Child. We collected 28 shoe boxes to send overseas.

It's that time of year again where the weather gets colder. Tights are even more important to wear this time of the year as it helps keep the leg muscles warm and injury free. Students are also encouraged to wear long sleeve leotards on those really cold days. The studio has pink and black long sleeve leotards for purchase for \$18-\$20.

Parent observation week is December 13-16. We ask that you please be considerate to the students by not talking during your child's class and keeping siblings on their best behavior. Observation week is a chance for you to see what your child has been learning and improving. Students will be measured for costumes during parent observation week therefore if you will be absent this week please let me know so that we can arrange a time to measure your child so the correct size can be ordered.

Don't forget that your costume balance is due by December 10th. (I will be at the studio on Friday Dec 10th from 4-6pm in addition to the normal class hours during the week.) Costumes are ordered over Christmas break and cannot be ordered with out payment. See below for the costume cost and balance due for your child's class.

Pasta is in and will be handed out after class the week of Nov 29-Dec 2.
