

From Ms Kirstin's Desk

It's time to start working on show choreography this month. I know all the students are excited to begin. The next few months are going to be lots of hard work, encourage your dancer to practice their dances at home as much as possible. Show Practice Cds will be handed out this week to each student. If you are having any trouble with the cd, please let me know. Check out the Costume Notebook in the lobby to see your students costume. Just a reminder-- Costume balances are due no later than February 15th. Costume balance statements will be sent out this week as well either by email or handed in class.

Be looking in the March Newsletter for details on program ads and show tickets as well as pre-registration information for the 2012-2013 dance year. Please mark your calendar for May 19th-- Mandatory Picture Day (more details and times will be out soon).

The Dreamin' Angels attended the Co Dance Convention at the beginning of this year, where they took classes from teachers such as Gregg Russell, Barry Youngblood, Gina Starbuck, Katie Schaar, Judy Rice & Tucker Barkley. The intermediate/advanced level classes had the dancers, Presley T, Cadie S, Alyssa C & Sarah H. working hard and learning a lot. Cadie S & Presley T. also tried out for the scholarship auditions making it through the first round of cuts. I'm a very proud of these four young ladies for their hard work, commitment and behavior throughout the weekend. I hope that we can take more dancers next year!

As always if you have any questions or concerns please contact me either by email or phone.

SAMANTHIA PITT, Instructor—I am a certified Zumba Fitness instructor who fell in LOVE with Zumba Fitness in December 2010 and have been teaching Zumba ever since!

The first thing you have to know about my class is that you don't have to be a dancer! My advice is keep moving, when you move, you are burning calories! Don't worry we don't all have to be in sync or looking like anyone else in the class just have fun and be consistent.

My classes are filled with fun choreography and music that is energetic

What makes me different from other instructors:

- * I am committed to the overall health and wellness of self and others
- * I bring a positive vibe to all of my classes
- * I make classes fun, relaxed and encouraging while still making sure we work up a sweat.
- * I set aside time before and after class to mentor my students
