## *Dance-N-Groove*

### A Note From Ms Kirstin

Welcome to another exciting year at Dance-N-Groove. Please read through the monthly newsletters as it contains important information and dates about what's going on at the studio.

I would like to highlight a few things so that everyone can have an enjoyable and great dance year. Please label your students bag and shoes as they all have the same shoes and this will help when they get mixed up.

Students need to have hair up and out of face in a ponytail or bun. Please secure your students hair so that it will not come undone and become a distraction during class.

Please encourage your dancer to use the restroom before class to help minimize distractions.

Like us on Facebook and stay informed on all that's going on at Dance-N-Groove.

For the consideration of all our dancers education, I know that at times you may have questions or concerns please contact me by phone or email as I only have 5 minutes between classes this year and need to spend that time preparing for the next class to start on time.

If you have any questions or concerns please don't hesitate to contact me by phone or email.
