Just A Few Reminders:

- Classes start on time so please arrive with enough time to help your dancer prepare for class.
- Tuition is due no later than the 7th of each month.
- Correct dance attire is essential in order for dancers to dance and improve safely.
- Encourage your dancer to use the bathroom prior to dance to minimize interruptions
- Parents are not allowed to stay and watch as this is a distraction. Students tend to behave & dance better when parent's are not in the classroom.
- Please email or call the studio at any time with any questions or concerns.

We had such a blast walking in the Hutto Olde Tyme Days Parade last month. The Dreamin' Angels brought a huge crowd and performed very professionally and wonderfully that afternoon.

The Yankee Candle Fundraiser was another huge success. Thanks to all who participated.

As colder weather approaches we would like our students to stay healthy. Students need to wear cover-ups to and from dance class (jacket or pants). Students also need to arrive on time for dance class as the first 5 minutes of class is vital to warm-up muscles to prevent injury. Students are also encouraged to wear long sleeve leotards on really cold days to help keep muscles warm.

Operation Christmas Child is a great opportunity for students to learn about sharing and caring. Students are encouraged to bring a small toy to pack in their classes shoe box to send to a child who may not get a Christmas gift. More information is included in the newsletter and the OCC brochure.

Operation Christmas Child

It's time for our annual community service project and it's very easy to be involved. Students bring a toy or other needed item to dance the week of November 16-19. See Operation Christmas Child brochure for a list of suggested items. Each class will pack a box with items brought in for a boy or girl in the following age groups. Boxes will be sent overseas to war torn and poverty stricken country's where this will be the only Christmas present some kids will ever get. Many items you can get at the dollar store and need to fit in a standard shoe box. You are also more than welcome to pack a box as a family or tell your friends and drop off your box during November 16-19 at the studio.
