MISSION STATEMENT

To train another generation of Pastors and church leaders, helping them to become experts in the word of God through teaching and through the impartation of spiritual gifts. Teaching them to hear the voice of God and to live out what they hear and what they learn

Our vision

Our vision here at RSM is to prepare a next generation of pastors who will feel a call to plant churches throughout our district and a new generation of leaders who will work along side their pastors to achieve supernatural growth in all of our churches. These pastors and leaders will be visionaries and community oriented and will know how to hear from God and understand what the Spirit is saying to the church.
