Broadway Cabaret **Singing Workshop** Ages 10-16

This six-week workshop culminates in a Cabaret-style performance. Refine your song-styling skills by learning some popular show tunes. Students may perform solos, duet, and as a group, as they desire. This workshop has something to offer to all skill levels, providing professional instruction in a nurturing environment. Students will work on technique and skill in voice production and control, diction, choreography, interaction with the audience, confidence, and use of emotion and drama. Some of our past workshop participants were invited to give an encore performance at the Greater Southern Dutchess Chamber of Commerce's Women in Business Awards dinner at Arbor Ridge!
