“He is our Comforter and Healer”
John 14:15-21

As we continue our study about the Holy Spirit, today we learn that God comforts and heals us through the Holy Spirit. How does that work?

1. It's an _____ when the Holy Spirit comforts and heals us (John 14:16-17; 1 Corinthians 3:16-17).
2. The terms _____ and _____ can be used interchangeably with the Holy Spirit (John 14:26; 15:26).
3. We _____ a _____ in our counseling and comforting (John 14:21; 26; Psalm 23:1-4).
4. Paralleled with comfort, we _____ through the Holy Spirit (Luke 4:14-20; Acts 10:34-38).

A reading guide to prepare for next week's message is available on the back side of the sermon notes.
