From our Director of Children's Ministries...

Jesus has called His Church to "make disciples of all nations" and He even modeled this discipleship to His own selected small group of followers. Over the past year we have been truly blessed to see the efforts and generosity of so many come together in the development of a new and secure wing for the children of CCC. We are truly thankful for the additional space, nice rooms, and increased level of security. But let's not forget our primary purpose and responsibility in investing in our environment and resources...the one task with which Christ commissioned the Church...to make disciples. We have all been given the responsibility to help our children to grow in Biblical knowledge, Christ-like character, and faithful conduct.

Throughout 2011 there will be many opportunities for both you and the children to plug into the ministry and to help them grow in these areas of knowledge, character and conduct. In the spring, we will host purity events for both boys and girls and will provide a workshop for these children and their parents in the fall. Summer will provide multiple opportunities with VBS, Camp Courage and Drama Camp. And, of course, don't forget Truth Alive, our primary focus and discipleship opportunity every Sunday morning with classes for every age!

Many recent articles and studies indicate that because of changes in our society and culture over the past number of years, we are currently raising a generation of children who have missed out on a solid foundation of Biblical knowledge and training. Kids need a firm foundation in God's Word and as parents and as a church it is time to get involved and help them grow into solid disciples of Jesus Christ!

In Him, *Dorelle Hogan*
