Community Church of Columbus

From Stan Hill, CCC Elder Board Chairman...

We have seen quite a transition to our property over the past year, including the addition of the new secure children's wing, the changeover of some of the old children's classrooms to adult education classrooms, the expansion of the Ministry Mall area and the demolition of the Annex to help us redesign and add to our parking lot. It is amazing to see how God has so richly blessed us with this facility and property. It also excites me to see how God has worked through many of you to make these changes happen, whether it has been additional financial support, helping paint walls, moving the library books or tearing down the house. But CCC has never been about the building. I seriously doubt we will ever be on the Columbus architectural tour. What is important is giving our Lord the glory and honor due Him through the ministries we provide to our body and to the community. As long as we keep our focus on Him, all these other things will be given to us as well (Luke 12:31). But God does not slumber, so we still have work to do! Finishing the 2nd floor of the children's wing and installing a commercial kitchen are just two more areas we still need to complete in God's timing. I anxiously wait for what He has in store for us next.

As I prepare to rotate off the Elder Board this September, I want to take this opportunity to thank all the staff and volunteers who make CCC what it is, day in and day out. We should never take for granted what a wonderful group of people we have leading and staffing the various ministries from which so many benefit. Take a moment to consider what goes into the worship and sermons, training of our children and youth, Bible studies and other classes, welcoming people (welcome table, greeters, ushers, refreshments), making our building and property look so nice (lawn rangers, landscaping crew, building maintenance, decorating, etc.), caring for those hurting or in need (counseling and mercy team), organizing events and communications by the office staff, and on and on. What a blessing these ministries have provided for 20 years! On behalf of all the Elders, I thank all who have faithfully served our body.

I encourage all of you to seek God's will on how you can be a part of His plan at CCC and in our community. We all have a vital part of the body of Christ. What are you doing with the gifts He has given you?

In Christ, Stan Hill
