

The Silent Killer

January 23, 2010

Luke 12:13-21; 2 Corinthians 8:1-9

Often a hole in our gospel can be caused by a silent killer. This challenge that can enter our lives will undermine much of what God wants to do.

The silent killer we are talking about is:_____.
We don't have to fall victim to its clutches, though:

1. _____ **you don't have to be** _____
to be _____ (2 Corinthians 8:1-4).
2. **Start by** _____ **your** _____ **to** _____
(2 Corinthians 8:5).
3. **Let God** _____ **your** _____
(2 Corinthians 8:6-8).
4. _____ **an** _____ **perspective**
(2 Corinthians 8:9; Luke 12:15, 20-21).

A reading guide to prepare for next week's message is available on the back side of the sermon notes.
