

“Eternal Truths from Revelation: An End in Sight”

Revelation

October 17, 18, 2009

The Bible speaks to events that will happen at the end of our current age, and while it's easy to be overwhelmed, Revelation teaches us four very clear truths:

- 1. Jesus will come soon** (Revelation 1:1; 3:11; 22:6,7,12,20; Hebrews 10:37).

- 2. Jesus will come suddenly** (Revelation 1:7; 16:15; Matthew 24:27; 1 Thessalonians 5:2).

- 3. Jesus will defeat the enemy** (Revelation 19:1-7; 2 Thessalonians 2:8).

- 4. We must be ready and stay faithful** (Revelation 1:3; 3:11; 16:15; 22:7; Luke 12:40).

Conclusion

Revelation is actually not as much about the end as it is about the new beginning!
