October 24, 2010

Romans 5

So far in our series we have looked at what we believe about the Bible, and what we believe about God. Today we consider how God intersects with our lives.

I. We believe in the _____ of _____
(Psalm 51:6; Romans 3:23)

II. We believe in _____ only by
_____ through _____
(Ephesians 2:8,9; Romans 3:20-24).

III. We believe in salvation only by grace through faith in
the _____ of _____
(Romans 5:6-8).

A reading guide to prepare for next week's message is available on the back side of the sermon notes.
