Luke 9:1-6
November 14,15, 2009

The timing of a harvest is very important if a good crop is desired. In today’s passage we learn more about the timing of the spiritual harvest God is bringing about.

1. Jesus is entrusting the harvest to us (vs. 1-2).

2. There is an urgency to the harvest (vs. 3).

3. Building relationships is important (vs. 4-5).

4. The harvest is not limited by boundaries (vs. 6).

Bottom Line: The time to harvest is NOW!
