If there is a financial problem or difficulty, I agree to make an appointment with the Finance Manager and resolve the matter. I agree to pay the balance of my account before requesting transcripts or other records for release.
4. I understand that EHCA operates on tuition and gifts and that God is the provider of the school's resources. I will pray for God's provision and give additionally as God supplies in my personal finances.
5. I understand that assessments will be charged to cover damages to the school or its property, including breakage of windows and abuse of other personal property if due to negligence or disobedience.

1. I understand that the basic tenet of the Christian philosophy of education is the discipleship of young people based on the Word of God; that the purpose of Eagle Heights Christian Academy is to provide quality education for children in a Christian setting as an extension of the training they receive at home; and, that the school and home work closely together toward this goal.
2. I agree to seek pediatric/psychological counsel for possible medical intervention if the classroom teacher and/or administration identify observable characteristics that may indicate a medical, neurological or psychological difficulty in my child.
3. I agree to support the school with my prayers and a positive attitude. I will share complaints or negative comments only with the teacher, administrator, or person involved and not with my child or other people, according to principles in Matthew 18:15.
4. I agree to attend meetings for parent conferences when requested by the teacher or administration.
5. I understand that I am responsible for providing my child's meals and/or snacks and that EHCA is not responsible for the nutritional value of the meals or for meeting the child's daily food needs.

Any disciplinary action is to be reported to me so that I can cooperate with the teacher to help insure that the discipline is effective in the life of my child.

Internet Usage Agreement

PreK3 – 12th Grade

Students will be using the Internet to conduct research and complete assignments. Because the Internet and computer networks/data bases are available from around the world, our practices limit Internet use to academic pursuits in accordance with our school's goals, mission statement and Christian philosophies. Inappropriate use of the Internet will result in the student's computer use and access being terminated by the school for a length of time determined by the administration, with additional penalties as determined by the nature of the violation, including full restitution for damages to computer(s) and network(s).

I agree to use the network and Internet in an appropriate and responsible manner.
