DO YOU CARE ?

Dear Esteemed Bro. Schafer,

Most Holy Greetings from India in the Blessed Name of our Great God and Savior Jesus Christ!

Your two good letters of January & February were joyously received. They have lifted us up again. Your letter and kind remembrance of us seems to always give us new zeal to continue on. We were very sorry to learn that your dad passed away in the first week of January and that you too had not been feeling well. We trust in Him who understands all our trial and sufferings. Our hearts go out to you in sympathy and prayer. How was your trip to India? We prayed and believe that it was a great success. I had so hoped that you will be able to make it to our place but I do understand. I am so sorry that I couldn't come and see you but not knowing the exact address and location I would have been a lost person. Thank you also very sincerely for the enclosed remittances for \$ 100.00 (# 829) for Jan. & \$ 100.00 (# 840) for Feb. We do praise Him for giving us such faithful precious friends across the ocean who have a genuine burden for the lost & dying souls in this part of the Harvestfield. Thank you so much for trusting and believing in us. I have always felt that not one sacrifice of His children truly made in His Name will go unrewarded or be fruitless.

I am glad that the revival fires are still burning in our midst and we thank God for the privilege of helping and seeing many souls being born into the Kingdom through the water and Spirit Baptism. Very shortly we will be baptizing a young couple in the name of Jesus Christ. We have also seen wonderful healings in answer to prayer. Sujit, the boy in our Home has been completely healed. He his hungry for the Lord and has been steadily seeking the baptism of the Holy Ghost.

Yesterday, we as a team went to a vast Hindu religious gathering to proclaim the Good News. Please pray that Seed planted will lodge in some hearts leading to the Giver of Life. We haven't ceased to mention your name and your ministry in our daily prayers. We think and pray for you and hope that His smile of favor is upon you and His blessing resting in your midst.

Respectfully in Jesus,
Bro. & Sis. Sheal Morar
