Survey:

The Elders are considering making some changes to the worship and bible study schedule for the Overland congregation. The purpose of these considerations is to make sure that the members and their children are being effectively taught the scriptures and that we have time to spend together in worship which is pleasing to God. In keeping with those goals and with the utmost care that whatever we do be scriptural, we prayerfully request the congregation's opinion of the enclosed survey.

Sunday Night Worship & Fellowship Meal Summer Schedule:

Today is our Last 1st Sunday that we will not have our fellowship meal or PM services. The Elders have asked that we use today to encourage someone by inviting them to lunch, visiting etc. We will resume our regular schedule next month.
