Dear Junior Knights, Junior Daughters, and Conference Attendees,

"Thank you" are not adequate words to effectively articulate how much your work and commitment to Claver means to our Noble Order.

We are living in unprecedented times, and everything we know and understand has changed. In the blink of an eye, our worlds have shifted. You have been called to reimagine the world and transform it for the better. Your support of your church and surrounding communities is needed more than ever. The Knights of Peter Claver and Ladies Auxiliary will continue to support you and empower you as you take your role in being at the forefront of social progress, developing policies that affect youth and building bridges to finding your voices in this world.

With the rapidly changing world around us, finding unique and credible ways to engage is vital. I applaud your ability to overcome distance and other restrictions on you and your Commanders and Counselors due to the COVID-19 health crisis by having the first Virtual Junior Conference. The value of investing in this type of conference is immeasurable because the Junior Conference is about collaborating with peers and finding inspiration that comes from learning from each other. That focus will never change, and you are the pioneers of your generation in Claver.

Your theme of Unity, Equality & Love - Together in Hand means so much in today's uncertain world culture. May the Lord bless you and take care of you; May the Lord be kind and gracious to you; May the Lord look on you with favor and give you peace. (Numbers 6:24-26)

I remain your servant in Claverism,

Greetings Fellow Clavers:

Welcome to the 43rd Annual Western States District Junior Conference on July 18-19, 2020. As Director General of Jr. Knights, I am continuously proud to serve as an overseer of the junior division. I understand you are disappointed in not seeing your Claver brothers and sisters at an in-person conference due to the Covid19 Pandemic. However, I do trust that each of you understand this decision was for the health and safety for you, your families, and all others associated with the conference!

I am equally proud of the Western States District for developing a Virtual Conference in which you all can still interact and engage with your fellow Clavers! As I reflect upon your theme for the conference, **"Unity, Equality, and Love Together in Hands,"** I am reminded of Jesus' love and His dying for our sins. His mission on this earth was to share the good news of God, to spread love and compassion, and to unite in the love of God. Follow the vision of this theme and be an angel by advocating for unity and equality for you and for others!

On behalf of the Jr. National Board, we extend our heartfelt best wishes for a successful Western States District Junior Conference. To the Planning committee, Commanders, and Counselors, thank you for your continued support and dedication to our Jr. Division.

Thank you once again for allowing me to serve as your Director General of Jr. Knights! Let us continue to achieve great things in the name of Claverism!

Greetings Fellow Clavers of the Western District:

As you bark upon your Virtual Junior State Conference, I must commend each and every one of you. The ongoing impacts of COVID-19 and heightened anti-Blackness have dramatically impacted our world; self-care, close connection to family and friends, and time for processing and reflection are vital. While 2020 did not go as planned, I am proud that you have remained committed to your vision. As your theme states "Unity, Equality, and Love-Together in Hands" is what makes all of this possible. It is this vision that has guided your district thus far, and it is this vision that should remain your focal point in the weeks and months to come.

Our youth of today are powerful, dedicated, and committed to serving our Lord and Savior Jesus Christ! Our junior division consists of amazing junior knights and junior daughters with the courage and conviction to proclaim their love and faith in God. I am so fortunate to collaborate with such outstanding members.

To President Rashida Garcia and the junior board, congratulations on all you have done for the Order and the Western District. To Directress Price, thank you for your commitment and dedication to our junior division. To Directress Warner, I look forward to your continued support and eagerness that our juniors need. To Most Esteemed Supreme Lady Micaela Leblanc and Deputy Lori McCoy Shula, never stop giving your advice, guidance and support to juniors and youth of the world. We need all that you have and are always willing to share. To the members of the Western States District, continue working hard and working together. Enjoy your conference and I hope that you have found peace and healing this summer.

Yours in Claverism,

July 18, 2020

Dear Juniors of the Western States,

Welcome to the first Virtual Junior Conference. I am proud to represent you in a District where technology and innovations can help you realize your goals in the Knights of Peter Claver and beyond.

Today's economic, health, and racial climate has made it challenging for many of you to work, play, learn, and socialize, yet you continue to rise in the midst of it. Together we can overcome these challenges by working collectively and increase our efforts to guarantee that all our Juniors have the knowledge, skills, and opportunities to reach their fullest potential.

My dear Juniors, your leadership is needed now more than ever. You are already leading in your use of new technology to network, create, and speak out for change. And it is producing excellent results. Don't stop, be active, stay safe, and continue to do you.

The Senior division has many individuals who have invested in your success. Prepare yourself to be at the table where decisions are made which affect all walks of your lives. Further, your education, ask the essential questions, be present in your faith, and continue to pray.

It is my honor to serve you and may God continue to guide your footsteps.

Lady Lori McCoy Shuler
Western States District Deputy

Greetings My Claver Family,

Giving praise and honor to God, our Creator. I am delighted to be with you in spirit in the Western States District as the Junior Supreme Knight.

On behalf of the National Junior Knights Board, my family, and I, we wish the Western State District Junior State Board a successful Electronic Souvenir Journal. We hope that this journal will be an enlighten experience for all juniors who read it. Your conference theme, “Unity, Equality and Love together in Hands” is very appropriate given the many challenges that we as young people are having to face in the climate of the United States of America such as bullying, human trafficking, shootings in schools, unnecessary killings and the lack of value for all human life. Please know that God is still in control. Nothing is impossible with God. Continue to pray daily for your personal needs, the needs of your family and friends, our country, but most importantly our noble order.

I stand in solidarity with you my brother and sisters of the Western States District as we stay the course during this pandemic. Please remember to follow the directives from your state health officials and political leaders. I eagerly anticipate your presence at the upcoming Junior National Convention in New Orleans, LA next summer.

In closing, I would like to thank all Commanders and Counselors for their guidance and assistance in providing experiences that lead the Junior Division ever closer to God. May God bless all of you and the Junior Division of the Knights of Peter Claver/Ladies Auxiliary.

Greetings My Claver Family!

Welcome to the 2020 Jr. Western States District Virtual Conference on July 18-19, 2020. The Conference theme is **"Unity, Equality, and Love-Together In Hands"**. I am so glad this theme was chosen for this conference because it really represents what we need more of in this world. Almost every day we see Black people being beaten, treated unequally, and being killed. Some of us have lost many people to the Virus and mental health struggles. We need more love for everyone, we need God More, and we need more togetherness. I feel we need to allow God to take away our fear, worry, depression, or anxiety because only he can speak to the evil that surrounds us.

Throughout this huge change for the world I have really rediscovered God and myself, I gain a new passion to love him, to surrender to him, and to speak boldly about who God is. I believe we are overcomers in Christ and that we need to seek God for healing so he can teach us how to really love everyone, treat others equally, and be united together. This feeling doesn't happen overnight, it takes progression with God. I know we have been through a lot but know that we are here for each other.

On behalf of the junior National Broad and I, we wish you a very successful Jr. Western States District Conference. To the Junior State Board, Director and Directress, Commanders, Counselors, Chaperones, and everyone who worked so hard to make the conference a success, it is through people like you Jesus shows His love for us. You are God's greatest blessing, and we thank you for your commitment, support, and dedication.

In closing, to my Claver brothers and sisters of this noble order, thank you for being a blessing in helping me achieve my goals—helping me raise money for Diabetes Awareness to find a cure and being a part of the National Food Bank Day. I pray that all will continue these initiatives after my tenure as Jr. Supreme Lady ends. Thank you also for the support with the social justice rally at the National Convention. I am still working to stop bullying, and with God, we cannot fail.

Embracing this theme, can and will help us to deal with the social justice issues of today. Dear Junior Knights and Junior Daughters,

As your Western States District Junior Daughters Directress, it is my distinct pleasure to welcome our amazing Junior Knights and Junior Daughters to the 2020 Western States District Junior Virtual Conference. The planning committee, under the guidance of the immediate past junior daughter directress Lady Lydia Price, has made every effort to make this conference an exciting, informative, inspiring, enjoyable, and memorable experience for you as possible.

This is YOUR conference and it will only be as successful as you make it through your participation. I believe in the ideals of Claverism: spiritual growth, service to our Church, service to our communities, and the importance of a well-rounded education. As young Clavers you must be witnesses of love and charity. Our Conference theme "Unity, Equality & Love Together in Hands" confirms our belief that we must unite and fight for equality and love together with Christ to be a true Claver. Christ is the essence of love and through Him all things are possible.

We pray that through this conference your spirits will be renewed, your leadership skills enlightened, and you grow stronger in Claverism as you interact via Zoom with your Claver sisters and brothers. May God, the Father bless you; Christ, the Son guide you; the Holy Spirit enlighten you and Saint Peter Claver pray for you.

Sincerely,

Lady Rachel L. Warner

To my Claver Family,

On behalf of the Jr. Western States Board, I would like to welcome you all to the 43rd Biannual Western States District Junior Conference Via Zoom. This Conference is one for the books thanks to the help from all of the advisors to the board. Although we can not share the Claver joy and happiness in the same space, we are all together in spirit .

I have been in our noble order for about 7 years. Looking back, I realized that some of my best memories have come from the Knights of Peter Claver. Thinking back on my initiation, I would have been happy to have known of all the new people I would soon meet and adventures I would soon partake in rather than being scared and timid. Within these past years I have taken multiple roles in the District. I have learned many core values that have and will forever stick with me. The Knights of Peter Claver has given me principles that I use in many ways such as giving is better than receiving and the more you ask the more you know. The Junior Knights have given me a second family and a sense of brotherhood that I believe all young minorities should experience.

As I conclude, I would like to remind everyone of our purpose. The purpose of the Junior Division is to prepare young Catholics for effective ministry within the Catholic church. Training young people to lead the cause of Christ and apply Christianity to every area is what being a Junior Knight and Junior Daughter is all about. Juniors grow as individuals while exploring ideas, values, and faith with a supportive community of peers along with Knights and Ladies of the Knights of Peter Claver. The mission continues...

To my Claver Family,

On behalf of the Jr. Western States Board, I would like to welcome you all to the 43rd Biannual Western States District Junior Conference. Although we wish that we could fellowship and gather in person, I hope that our dedication and Claver spirit can be conveyed virtually. We hope you enjoy yourselves immensely.

It has been an honor to be your Junior Western States District President. For the duration of my two terms, I've met and connected with so many great people. Thank you for this opportunity to serve you. Thank you for all your support.

I would also like to thank all of you for your active participation in our noble order. Your devotion and participation are the key components that the Knights of Peter Claver thrive off of. With your help, we can build the Western States District and make a difference in our community and eventually nationally. Our goal this weekend is to make life-long friendships, grow in our faith, and to handle the business of our noble order. It is very important that we all reconnect with old friends and make new ones. This weekend is all about unity.

Our theme for this year's conference is "Unity, Equality, and Love Together in Hands". This weekend, think about how we as a community can become more united. As members of our noble order, it is extremely important that we assess how to become unified. This is especially important in the face of our current political climate. We as Clavers fight for equality because our people have been and continue to be oppressed; continue the fight in any way you can. Most importantly, as Clavers we love. We love thy neighbor as ourselves. Be sure that we show that we are Christians through this love, the unconditional love that was given to us by God.

Please stay safe during this pandemic. Remember to mask up! I want to offer my condolences to those who have lost loved one due to COVID-19. You are in our prayers.

Congratulations to all the 2020 graduates and I emphasize with you due to your lost senior year. This weekend, I hope that we can celebrate you the way you deserve to be celebrated for all your hard work.

We are all very excited to create new memories with you all. This conference will be filled with fun and productivity. I hope you all learn new lessons and enjoy yourselves. You deserve it.

Saint Michael the Archangel, defend us
in battle. Be our protection against the
wickedness and snares of the devil;
May God rebuke him, we humbly pray;
And do thou, O Prince of the Heavenly
Host, by the power of God, thrust into
hell Satan and all evil spirits who
wander through the world for the ruin
of souls.

St. Michael the Archangel

KNIGHTS OF PETER CLAVER AND LADIES AUXILIARY

Western States District Junior Virtual Conference

Ahead of the Curve
and ready to face the World!

The Junior Division of the Knights of Peter Claver and Ladies Auxiliary declare that YOU are braver than YOU believe, and stronger than YOU seem, and smarter than YOU think! Don't YOU ever let a soul in the world tell YOU that you can't be exactly WHO YOU ARE!

#StaySafe
#Stay Claver

YOU are chosen to reign.

Trust in the Lord with all YOUR heart and lean not on YOUR own understanding. In all YOUR ways acknowledge Him and He will make YOUR paths straight.

Proverbs 3:5-6
