**My application:**

1. *In what ways can I see that I'm relying on the Spirit and experiencing satisfaction in Christ? Where can I grow in this?*
2. *Do I understand the gospel thoroughly? Do I remind myself of it everyday and delight in it?*
3. *Do I have habits of simple devotion to the Lord? How can I plan to maximize time to worship, pray, fast, or read God's word this week?*
4. *Am I expressing my gratitude to God regularly for his work in my life through the gospel? Am I sharing that with others as well?*
