The Applicant Shall, as part of this application, agree to:

- Notify the Building Department of any change in the information contained in the application or approved plans and specifications.
- Prominently display on the premises the building permit issued and authorize the inspector access for the purpose of inspections during construction.
- Not use any portion of the project, in whole or in part, until the structure meets all applicable codes, conditions, all inspections have been made, approvals granted and a certificate of compliance has been issued.
- Abide by Planning Board, Zoning Board of Appeals, Town Board approval resolutions, if required, and all plan amendments made by the Building Department.
- At the time of the issuance of a permit, a copy of approved plans will be kept at the work site, available for inspection throughout the progress of the work.
- Work may NOT Commence prior to the issuance of a building permit.
- Must Notify the Building Department 24 hours in advance for all required inspections and must receive approval before any building element, equipment, or system is covered or enclosed.

Acceptance does not relieve the agent, applicant, architect, builder, engineer, or owner from complying with any of the provisions of the NYS Building Code, Energy Code, SEQR Act, Local Zoning, etc., whether stated, implied, or omitted in the plans and specifications submitted for the building permit. Incorrect information may result in revocation of permit.
