4. NEW FINAL SITE PLAN AMENDMENT

PB #1102-20 New Final Site Plan Amendment Application

Name: Meyer’s Finger Lakes RV, c/o 100 Sanford Road North,
Churchville, N.Y. 14428

Location: 6200 State Route 96

Zoning District: GB General Business

Request: Final Site Plan Amendment to erect a building-mounted commercial speech sign approximately 144 square feet in size to be located on the south side of the building.

The Final Site Plan for this project was approved by the Planning Board on November 7, 2018 (PB #1102-18).

Previous amendments to the Final Site Plan were approved by the Planning Board on October 21, 2020; November 18, 2020; March 3, 2021; March 17, 2021; April 7, 2021; April 21, 2021; July 7, 2021; August 18, 2021; and September 15, 2021.

Mr. Delpriore said that the applicant has withdrawn this application because the size of the proposed building sign exceeds the required size for signs in the Main Street Overlay District (MSOD). He said that the applicant will apply to the Zoning Board of Appeals for an Area Variance to allow the sign as designed. Mr. Delpriore said that the size of the sign has not been changed and is planned for installation as depicted upon the previous elevation

renderings of the building which were presented to the Planning Board during the Site Plan review and approval process.

Mr. Delpriore said that the Town staff would like to receive the Planning Board's thoughts on the proposed size of the sign.

Mr. Hemminger said that the proposed sign fits perfectly with the building and that it is designed as it has been depicted upon the architectural renderings which the board has seen and approved. He said that the sign is the right size.

Mr. Sweeney said that the sign looks fine on the elevation. He expressed concern about the percentage variance from the MSOD regulations which the applicant will seek.

Mr. Delpriore said that the previous Town Code regulated the size of signs based upon a building façade and the distance of the building from the road. He said that the MSOD regulations now concern only the size of the sign. He said that the Zoning Board of Appeals (ZBA) will revisit these regulations with regard to the size of the sign and the size of the building. Mr. Hemminger also said that the ZBA will review this.

Mr. Bellis and Mr. DeLucia said that they had no issues with the sign which has been depicted upon the previous elevation which was presented to the board during the Site Plan review. They both said that they will leave the determination of the Area Variance up to the ZBA.

Mr. Hemminger said again that the sign is the right size for the building and that the Planning Board has seen it [on the elevation] many times.

Mr. Viets also said that the board has seen the design of the sign on the elevation and that it looks appropriate.

There were no additional comments or questions on this project this evening.

5. PLANNING BOARD ACTION ITEMS

A. 2022 Planning Board Rules of Procedure:

The board and the Town staff discussed amendments to the Planning Board Rules of Procedure as suggested by Mr. Hemminger, Mr. Sweeney and Mr. Viets; and by Mr. Brand and Town Construction Inspector Matt Heilmann.

Mr. Hemminger asked about the length of time that videos of the Planning Board meetings would remain posted on the Town's YouTube channel (Item #1d). Mr. Delpriore said that the Town Supervisor indicated that the videos will remain posted for at least one year, if not longer, depending upon the available space on the channel.

Mr. Brand asked about granting specific time extensions for approved projects (Item #6). He said that the board has granted extensions which exceeded 90 days for such projects as CountryMax and Monarch Manor. Mr. Bellis suggested that extensions be approved in intervals of 90 days.

Mr. Hemminger requested that the first sentence of Item #22 (County Referrals) be amended to read that the Director of Planning and Development *and* the Code Enforcement Officer will review all board referalls [to the Ontario County Planning Board] for completeness before they are transmitted to the Ontario County Planning Board. There were no objections to this amendment.

There were no additional comments or questions on the amendments to the Rules of Procedure this evening.

■ A motion was made by MR. BELLIS, seconded by MR. DELUCIA, that the reading of the following resolution be waived and that the resolution be approved as submitted by the Town staff.

**TOWN OF FARMINGTON PLANNING BOARD RESOLUTION
2022 RULES OF PROCEDURE**

WHEREAS, the Town of Farmington Planning Board (hereinafter referred to as the Board) has considered the need to adopt Rules of Procedure for conducting the business of the Board during the calendar year 2022; and

WHEREAS, the Board will continue to comply with the State Governor’s Executive Orders which establishes the requirements for conducting open meetings during the COVID-19 pandemic; and

WHEREAS, the Board has determined that such Rules of Procedure are in the best interests of the Town.

NOW, THEREFORE, BE IT RESOLVED that the Board does hereby adopt the Rules of Procedure for the calendar year 2022, as revised per this document appended to the minutes of the Board meeting of February 2, 2022.

BE IT FURTHER RESOLVED that a copy of the adopted 2022 Rules of Procedure is to be filed with the Farmington Town Clerk.

The following vote on the above resolution was recorded in the meeting minutes:

(See Appendix #1 for the text of the 2022 Planning Board Rules of Procedure as amended.)

B. Major Thoroughfare Overlay District (MTOD) Site Design Guidelines, and Main Street Overlay District (MSOD) Streetscape Design Guidelines for the Route 96 Corridor:

The board and the Town staff began the discussion of amendments to the Major Thoroughfare Overlay District (MTOD) Site Design Guidelines and the Main Street Overlay District (MSOD) Streetscape Design Guidelines for the Route 96 Corridor. Amendments were submitted by Mr. Hemminger, Mr. Sweeney and Mr. Viets.

Mr. Hemminger suggested that the terminology reflected in these documents (i.e., “criteria,” “requirements” or “guidelines”) be consistent for clarity to applicants. He said that “guidelines” may not be clear to applicants and that he would prefer the descriptions of “criteria” or “requirements” on the complete documents which would provide the Planning Board with the opportunity waive individual items if appropriate.

Mr. Brand discussed MTOD and MSOD definitions for buildings which will be located on the GLN Farmington Realty site (south side of State Route 96, east of the State Route 332/State Route 96 intersection) on which buildings will be constructed on three roads.

Mr. Hemminger suggested that action on the 2022 MTOD and MSOD documents be continued to the next meeting on February 16, 2022, to allow time for the Town staff to review the board’s suggested amendments and comments. There were no objections to this suggestion.

**C. Redfield Grove Incentive Zoning Project, Phase 2

- n. A revised drawing or additional documentation, accepted by the Board at either a Public Hearing or a public meeting, may be grounds for continuing the Public Hearing or the public meeting to a specified date and time. Furthermore, the Board wants the public to have an opportunity to review any new submitted documentation pertaining to an application.

Legal Notices will include references to the video conference information and where contact information may be found.

4. Public Hearings—Public Notice, County Planning Compliance, and SEQR Compliance

The Board may also waive the requirement to read into the Public Hearing/Meeting record the standard resolutions for determinations of significance to be made on all Unlisted Actions under the SEQR Regulations. When so waived, the Board must still take action to accept the draft resolution for making an Unlisted Action Determination of Significance. In addition, when a determination of significance is made, the Chairperson of said Board shall sign and date Part 2 of the Short Environmental Assessment Form, or Parts 2 and 3 of the Full Environmental Assessment Form.

The Board may not waive the requirement to read into the Public Hearing/Meeting record a resolution for the determination of significance on a Type 1 Action that is to be made under the SEQR Regulations. In addition, when a determination of non-significance is made on a Type 1 Action, the Chairperson of said Board shall sign and date the SEQR Negative Declaration Form. For all Unlisted Actions and Type 1 Actions, the Board shall comply with the procedural requirements set forth in Section 617 of article 8 of the New York State Environmental Conservation

Law, prior to making any decision on a pending application. The SEQR Involved Agencies shall be notified of the determination of significance.

The Clerk of the Board is to provide all related SEQR documents to the Town Engineer for this filing. (*Note: Unlisted Actions are not filed in the ENB.*)

Tabled motions shall be subject to the provisions in Section 11 of these Rules of Procedure set forth below.

6. Resolutions and Documents

Draft resolutions shall first be sent to the Board members and to Town staff. The Clerk of the Board shall send draft resolutions to the applicant and/or his or her agent by 4:30 p.m. on the Tuesday prior to the Board's meeting. In addition, the Town Development Office Administrator shall post all draft resolutions on the Town's website by 4:30 p.m. on the Tuesday before the Board's meeting. Town staff shall not change any draft resolution submitted to the Board. Any such change or amendment thereto shall be made at the Board's direction at the Board meeting. The draft resolutions shall be removed from the Town's website, by the Development Office Administrator, ten (10) business days after the date the draft resolution is acted upon by the Board.

When—during the Board's open meeting deliberation upon a draft resolution—substantial new information is presented that has not been provided to the Board and posted on the Town's website, in accordance with the State's Open Meetings Law requirements, the Board may determine that said information is substantial to its pending decision and move to table their decision to the next Board meeting to allow for any changes to be made to the draft resolution, posted on the town's website and to allow for the public review of said changes prior to the meeting where action is to be taken. The Board, however, may add or change conditions of approval if it is not determined that such change(s) is/are not significant to the posted draft resolutions without holding the resolution over until the next Board Meeting.

7. Voting

Planning Board members may participate in the meeting by attendance via remote video conference in compliance with the "Town Board and Committees Remote Participation in Public Meet-

ings Policy and Procedures” adopted by the Farmington Town Board on September 8, 2020 (Town Board Resolution #326 of 2020).

The members of the Board shall be eligible to vote on the Board Meeting Minutes when they were present for the meeting (or when they meet the requirements of Town Board Resolution #326 of 2020), or upon their proclaiming adequate knowledge of the pending Action as the result of their review of previous meeting minutes and any new information. As appropriate, Board members shall, at the outset of any application, give public notice of their financial or other private interests in any project that is pending before the Board. Where such disclosure is made, the Board Member shall be deemed to be in compliance with the provisions of Article 18 of the New York State General Municipal Law or any amendments thereto, relating to Conflicts of Interest, as well as compliance with the Code of Ethics contained in Chapter 17 of the Town of Farmington Code.

In all matters voted on by the Board, except for a vote to override a County Planning Board recommendation, there must be a majority of the entire membership voting the same way in order for an action to be approved, denied or modified. A majority-plus-one vote is required to override a recommendation of denial by the Ontario County Planning Board (*see* #9, below). A certified copy of all resolutions acted upon by the Board, which have been the subject of a County Planning Board referral and recommendation, shall be provided to said County Board within five (5) business days of the date of said action by the Clerk of the Board.

In the instance of a resolution to override a County Planning Board recommendation, there must be a majority plus one vote of all members. Otherwise, the vote fails to override and the Planning Board must comply with the recommendation contained in the County referral. When this occurs, the draft resolution is to be amended to include compliance with the County’s recommendation. On other matters, a 2 to 2 vote taken by the Board on an application results in a no action being taken and will need to be reconsidered by the Board at a future meeting. All Board members shall record their vote by roll call taken by the Clerk of the Board and duly recorded in the minutes. In no instance shall the Board vote to approve, modify, or deny a Sketch Plan. The Board shall only make comments or suggestions to the applicant.

Prior to taking a roll call vote on an application, the Chairperson shall ask the applicant if he or she understands the resolution that is about to be acted on, and if the applicant has any questions, concerns or objections to any part thereof.

A copy of all resolutions (decisions made) by the Board shall be filed with and date-stamped by the Town Clerk’s Office prior to being mailed by the Clerk of the Board, within five (5) business days, to the applicant and the original resolution filed with the Town Clerk’s Office, and a copy then made and filed with the Town Development Office. Any additional copies noted in the resolution shall be provided by the Clerk of the Board.

8. State Environmental Quality Review (SEQR)

The Board’s review and approval of all applications shall be subject to the requirements set forth in article 8 of the New York State Environmental Conservation Law, the SEQR Regulations.

9. County Planning Recommendations and Board Voting Requirements

In the instance where the Ontario County Planning Board has rendered an advisory report, under the provisions of Sections 239–l, –m, and –n of the New York State General Municipal Law, and the County Planning Board recommends modification or denial of an application, the Board, in order to override the County’s recommendation must first have a majority plus one vote (4 of the 5 Board Members) recorded on a separate resolution that sets forth the reasons for overriding the County’s recommendation.

The Board, to override the County’s recommendation of modification, or denial of referred action, requires a majority plus one vote of the entire Board (e.g., 4 of 5 members voting the same way). In the event the Board does override the County’s recommendation, the Board shall by separate resolution set forth its reasons for overriding the County and must file a copy of said resolution with the County, along with a certified copy of the resolution taking action upon the application, within the time frame prescribed in the above referenced sections of the New York State General Municipal Law.

For any application referred to the Ontario County Planning Board, a certified copy of the final action taken on the subject referral shall be filed by the Clerk of the Board with the County within five (5) business days after final action is taken.

10. Votes, When Recorded

Board members shall record their vote by stating either an “aye” or “nay” on a question. Votes shall be entered in the Minutes. All votes shall be taken in public, either by voice or by roll call by the Clerk of the Board, for each Board member present. A member who is absent from the vote shall be noted as being either absent or excused in the roll call voting. A Board member may abstain from voting. When a Board member exercises this right, it is not necessary for the Board member to state his or her reason(s) for abstaining unless there is disclosure of a conflict of interest associated with an application.

11. Privilege of the Floor

During Public Comment Time, any person (attending in person or via video conference), and upon request granted by the Chairperson, may address the Board on a matter of public concern. The time allotted for addressing the Board shall be limited by the Chairperson depending on specific circumstances. In no instance shall the Privilege of the Floor be used to make additional comments on an application pending before the Board when the Public Hearing has been closed or continued.

12. Public Notification

Public meeting notice shall be given in the manner prescribed by New York State Town Law and the posting of property requirements set forth in the Farmington Town Code. In addition, copies

of the Meeting Agenda and Legal Notices shall be available in the Town Development Office no later than 3:00 p.m. on the Wednesday one week prior to the scheduled meeting (*see* Section 3—“Agendas and Legal Notices”).

When an application has been continued by the Board, the Public Notification Sign posted on the property shall continue to be displayed.

Any property not properly posted before a public meeting is held shall not be heard by the Board and the matter shall be continued to the next Board Meeting to enable posting of the subject property. All Public Notification signs shall remain on the property until the Board has taken final action on the application. Once final action has been taken, all Public Notification signs are to be removed within five (5) business days by either the Town Code Enforcement Officer or Town Zoning Officer.

13. Duties and Responsibilities

The duties and responsibilities of the Board are set forth in the various sections of the Farmington Town Code and the New York State Town Law, New York State Public Officers Law, the State Environmental Quality Review (SEQR) Regulations and the provisions contained in Sections 239-1, -m, -n and -nn of the New York State General Municipal Law.

Section 239-nn of the New York State General Municipal Law requires the Farmington Town Clerk to notify the Town Clerk of an adjacent municipality of a pending action (e.g., Special Use Permit, Temporary Use Permit, Site Plan approval, and Preliminary Subdivision Plat approval) that is to occur within 500 feet of the municipal boundary. The Development Office Administrator is to provide the Town Clerk with a copy of all such application(s) not later than ten (10) business days before the date of the Board’s meeting. The Town Clerk shall provide the Development Office Administrator with a copy of the notification letter and any comments received under these provisions.

14. Draft Meeting Minutes

The Board members shall be sent electronically draft meeting minutes within ten (10) business days of the date of the subject meeting. Draft meeting minutes shall be identified as being a draft. Draft meeting minutes shall be posted on the Town website within two weeks of the meeting.

15. Corrections to the Draft Meeting Minutes

The Board members shall, whenever possible, notify the Clerk of the Board by email of all corrections to the previous meeting minutes prior to the date of the next meeting. This email shall not be copied to all members of the board. Staff members shall provide any recommended changes to the Clerk of the Board. Corrections to draft minutes from board members and staff members shall be reviewed at the next meeting of the board.

16. Approved Meeting Minutes

At the Board meeting, the Board—having reviewed the Draft Meeting Minutes—will (as part of the public meeting record), take action to accept the Minutes either with or without corrections. Once the Minutes have been approved by a voice vote of at least three Board members present at the meeting, the vote shall be recorded in the meeting minutes. The Clerk of the Board shall then, within five (5) business days, file a certified copy with the Town Clerk's Office to be date stamped and filed, as well as providing electronic copies to the Town Board members, the Planning Board member, and to the Town's Confidential Secretary for filing and posting on the Town's Website.

17. Audio Recordings of Board Meetings

Audio recordings of the proceedings of the Board meetings shall be maintained by the Clerk of the Board for a period of twelve (12) months after the date that the meeting minutes have been approved by the Board. When requested by the Chairperson, said audio recordings shall be maintained by the Clerk of the Board for an additional period of time as specified by said Chairperson.

18. Layover

A resolution, application or action before the Board may be laid over until the next regular session of the Board if so requested by any member of the Board, unless by doing so the application would otherwise be approved by default of the Board. No further action may be taken on the resolution or its amendments, but limited discussion may occur at the discretion of the Chairperson. However whenever possible, Board members should first attempt to resolve the issue(s) leading to a layover. If a layover is imminent, the Chairperson should be notified of such action prior to the start of the regular Board meeting. When it becomes apparent to a member of the Board that a layover is being contemplated, said member shall bring this matter to the Chairperson's attention as soon as possible. The member laying over the action is expected to be present at the next scheduled meeting.

Any action on a laid over resolution must take place at the next scheduled meeting. No resolution shall be laid over a second time. No resolution shall be laid over if it is determined that such action would violate the time limits contained in various sections of the New York State Town Law.

No layover can occur at the last meeting of the year because the next meeting in the following year may not have the same members on the Board who originally laid the matter over. The Board may vote to table the matter in this case and the new Board, when constituted, can offer a resolution to bring up the tabled resolution off the table with a motion and a second followed by a voice vote of the entire Board.

19. Amendment of Procedures

The Board, on a resolution to amend, may amend these Rules of Procedures from time to time. Once amended, copies of the amended Rules of Procedure shall be distributed to all having re-

ceived the original adopted Rules of Procedure for the given year and posted upon the Town's website. Any action to amend the Rules of Procedure shall be placed upon a meeting agenda.

20. Board Discussion

The Chairperson, at his or her discretion, may limit the discussion between any Board member and the applicant, staff and/or the general public.

21. Board Resolutions

All resolutions for the Board, except for those identified elsewhere in these Rules of Procedures, or those to close a Public Hearing, are to be drafted by the Town's Director of Planning and Development. The resolutions are to be read by the Chairperson or the Clerk of the Board unless the Board members agree by a motion, second and voice vote that the reading in this case is not necessary. The Chairperson can opt to have only the conditions of approval read if it is a standard resolution and not controversial. The contents of the resolutions are to be clear and understandable to the Board members as well as to the applicant.

The Board resolutions are to contain a clear and understandable listing of all Conditions of Approval that are to be incorporated within the "Approval of the Resolution" as read by the Chairperson or the Clerk of the Board, prior to voting on by the Board. Before voting on said resolution, the Chairperson shall ask the applicant if he or she understands the action and any conditions contained therein. The Clerk shall note this question and the applicant's response in the Minutes.

22. County Referrals

The Director of Planning and Development and the Code Enforcement Officer will review all Board referrals for completeness before they may be transmitted to the Ontario County Planning Board. The Code Enforcement Officer or the Director of Planning and Development will sign the referral form. The Town staff shall provide a copy of the referred application packet to the Town's representative on the Ontario County Planning Board. All referrals submitted to the County shall comply with the monthly deadline published by the County Planning Board for their monthly reviews and recommendations.

23. Acting Chairperson

With the adoption of this resolution, the Board determines that the Acting Chairperson for 2022 will be board member DOUGLAS VIETS. In the event that DOUGLAS VIETS is not available, then board member ADRIAN BELLIS shall serve as the Acting Chairperson. In the absence of the Chairperson, the Acting Chairperson shall perform all of the functions, which are normally the responsibility of the Chairperson. This is to include the signing of documents.

24. Training Requirements and Training Update Classes

All Board members, and the Town's representative on the Ontario County Planning Board, shall be required to complete at least:

- a. Twelve (12) hours of suitable training during the first full calendar year of their first term in office; or
- b. Nine (9) hours of suitable training during the remaining nine months, of the first full calendar year, of their first term in office; or
- c. Six (6) hours of suitable training during the remaining six months, of the first full calendar year, of their first term in office; or
- d. Four (4) hours of suitable training during the remaining three months, of the first full calendar year, of their first term in office; and then
- e. Eight (8) hours of suitable training, each year for the remaining term in office.

This requirement may be satisfied by training sessions that are offered throughout the year by attending state conferences and seminars and/or at county or regional training classes for the purpose of receiving updates to the state's requirements pertaining to Board members. Also included are presentations by the Town Engineer or other individual or group, as approved by the Town Board.

In addition to the above training classes and seminars, a Board member may, with the Chairperson's approval, substitute up to two (2) hours of such training with one-on-one training with the Town's Director of Planning and Development. In such instance, the Director of Planning and Development shall certify to the Chairperson, the Town Supervisor, the Town Clerk and the Town's Confidential Secretary that such training has been received.

Requests to receive training by members of the Board are to be coordinated with, and approved by, the Chairperson and then the completed training registration form must be submitted by each Board Member directly to the Confidential Secretary to the Town Supervisor. The Confidential Secretary will prepare a voucher, if there is a fee for the training, and submit it for approval by the Town Board. If the training exceeds \$100.00 it must be approved via a Town Board resolution; training under \$100.00 requires approval of the voucher only.

As soon as possible following the Board member's attendance at a training session, it shall be the responsibility of the Board member to submit documentation received at the training session to the Chairperson, who, according to a Town Board resolution adopted October 23, 2007, is required to maintain copies of all certificates of attendance. The Board Member shall also provide certificates of attendance to the Confidential Secretary to the Town Supervisor and the Town Clerk, as outlined in the October 23, 2007, resolution. The Confidential Secretary to the Town Supervisor shall maintain her or his own annual training log for each Board and shall coordinate, in the fall of each year, with the Chairperson to identify the status for each Board Member. In the event the Town Board

amends the Town's Training Requirements, this Section of the 2022 Rules of Procedure shall also be amended as necessary.

25. Attendance at Public Meetings, and Committee Meetings

Board members are encouraged to attend other public meetings regarding issues pertinent to planning in order to obtain the thoughts and ideas of others pertaining to any and all important Town issues.

Board members are also encouraged to attend any of the Town's standing committee meetings regarding issues pertinent to the Town's planning, (i.e., Agricultural Advisory Committee, Historical Preservation, Conservation Board, etc.) which are held monthly at the Farmington Town Hall.

Board Members at such meetings are also encouraged to speak on behalf of the Board providing only the general overview of the current applications that maybe pending before the Board. However, in no event shall Board members express their own personal thoughts on a matter that is currently pending before the Board. Also, no Board member shall speak in such a manner as to imply that what is being said is the official position of the Board. Only the Chairperson may speak on behalf of the Board when authorized to do so by a Board vote. Also, when speaking at such meetings, Board members shall identify themselves as residents of the Town and members of the Board.

It is the policy of this Board not to engage in social media discussions on projects that are or have been before the Board, or that could potentially be before the Board.

The Chairperson shall attend Town Board meetings, which are normally held on the second and fourth Tuesday of each month, to report on any important pending applications or matters pertaining to the growth and/or development of the Town of Farmington.

In the event a Planning Board member determines that he or she will not be able to attend a public meeting of the board, said member shall notify the Chairperson as soon as possible. When a Planning Board member intends to participate in a meeting via video conference, then the address from where the member will be participating must be announced and recorded in the minutes.

Should it become necessary to cancel a scheduled Board meeting, as much public notice as possible shall be given by the Town Development Office staff. Such public notice shall include the posting on the Town Hall Bulletin Board, posting on the entrance doors to the Town Hall and posting on the Town's Official Website.

The Board members may send via email questions and concerns about an application to the Chairperson only. Members must not conduct email discussions with more than one other Board member, as it would be in violation of the State's Public Meetings Law. When the Chairperson sends an e-mail to the Board on an application, all responses must be sent back to the Chairperson

only. If the Chairperson determines that the information should be in the public record, he or she will enter it into the public record at the next scheduled public meeting on the application.

26. Override of Rules

By a majority vote, the Board may override any of these rules except for the layover and training rules. The Board member requesting the override is encouraged to provide the reasoning for his or her override.

27. Duties and Responsibilities

The duties and responsibilities of the Board are set forth in both the New York State Town Law and the Farmington Town Code. In addition to these duties and responsibilities, all Board members shall attempt to visit each site under consideration prior to the scheduled meeting.

All Board members are expected to be familiar with the contents of the adopted *Town of Farmington Comprehensive Plan*; the adopted *Town of Farmington Site Design and Development Criteria Manual* (last updated in 2019 and in effect at the time of adoption of these Rules of Procedure); the adopted *Town of Farmington Major Thoroughfare Overlay District (MTOD) Site Design Guidelines* (Reference: Local Law #7 of 2009); the adopted *Main Street Overlay District (MSOD) Site Design Guidelines* (Reference: Town Board Resolution #208 of 2021); the adopted *Town of Farmington Agricultural and Farmland Protection Plan*; and the Farmington Town Code.

28. Support Personnel and Town Staff Attendance

The Chairperson may request the presence of Town staff and/or members of Town boards and/or committees to attend Board meetings or the annual organizational meeting if pertinent information is needed by the Board that may be beyond the comments presented in the Board packets. Notice of such requests will be made following receipt of the Board packets and the meeting agenda and will be subject to the availability of the Town Staff or the requested support personnel for the Town.

29. Site Design Guidelines

The Town Planning Board, as part of its annual meeting, is required to review and take action upon the *Town of Farmington Major Thoroughfare Overlay District (MTOD) Site Design Guidelines* which are an attachment to Local Law Number 7 of 2009; and the adopted *Main Street Overlay District (MSOD) Site Design Guidelines* (Reference: Town Board Resolution #208 of 2021). Once acted upon, a certified copy of the Planning Board Resolution adopting said Site Design Guidelines for the year 2022 shall be filed with the Town Clerk, the Town Development Office, the Town Code Enforcement Officer, the Town Engineer and the Town Director of Planning and Development.

Should a need arise during the year to amend these Guidelines, the Board shall direct Town Staff to make such an amendment thereto and then take action to adopt said amended version following a public meeting where said action is documented. Once filed with the Town Clerk's Office, copies shall be posted on the Town Website and made available to the general public.

30. Comprehensive Plan Maintenance

In accordance with the contents of Chapter 5, Implementation Chapter, *Town of Farmington Comprehensive Plan*, the Board is to prepare a report to the Town Operations Committee in July of each year. Said report is then to be submitted to and reviewed by the Town Operations Committee. The Committee is then to notify the Town Board for their acceptance of the report at each year's organizational meeting. The report will summarize the implementation actions underway and identify those actions to be undertaken during the coming year. Each year's report, once accepted by the Town Board, will become an amendment to the current edition of the *Comprehensive Plan* and will be noted by Town Board resolution and entered into Appendix C, Public Participation, of said Plan.

31. Surety

Letter of Credit or Form of Surety Estimate:

The Board shall receive from the Town Director of Planning and Development a packet of information pertaining to the establishment of a Letter of Credit, or some other form of surety, for certain site improvements that ultimately will be dedicated to the Town. The packet will include information from the Town Engineer, Town Construction Inspector and the Director of Planning and Development stating that all requirements have been met by the applicant, reviewed by staff and are ready for submission to the Town Board. In addition, a draft Planning Board resolution shall accompany all documentation. The draft resolution is a recommendation to the Town Board on whether or not to take formal action at a subsequent Town Board meeting.

Partial or Final Release of Funds from the Letter of Credit or Form of Surety:

The process for a release of surety (either partial or final) shall only be entertained by the Board when the requirements set forth in Chapter 144, Section 32. F. of the Town Code have been satisfied and has met submittal date listed on Appendix A. In particular, the Board receives from the Director of Planning and Development a packet of information pertaining to the release of funds from the Letter of Credit or Surety Form, a completed and signed Appendix G-1.1 Form entitled "Letter of Credit/Surety—Partial or Final Release" and a completed Letter of Credit Release Form G-2.0 (Town Site Design and Development Criteria) and a cover letter from the Town Engineer specifying the requested release. The packet shall also contain a draft Board resolution, a draft transmittal memo to the Town Board and a draft Town Board resolution requesting said resolution be acted upon by the Town Board. No resolution recommending the release of surety

(either partial or final) shall be entertained the night of the scheduled Planning Board meeting unless approved by the Chairperson.

Establishment of a Maintenance Bond:

If the request is for the final release of funds in the Letter of Credit or Form of Surety, then the Board resolution shall recommend that the Town Board first require the applicant to establish a Maintenance Bond for a period of two years from the date of formal dedication of the site improvements. The packet received shall include a cover memo from the Director of Planning and Development, a draft Board resolution, a transmittal memo to the Town Board from the Board Chairperson and a draft Town Board resolution to establish a Maintenance Bond prior to the final release.

Release of Maintenance Bond:

A request for the release of a Maintenance Bond shall be submitted by the Director of Planning and Development to the Board as part of a packet of materials for the Board's consideration and action. Included in the packet will be a completed and signed Appendix G-4.0 Final Inspection Form for Expiring Surety (Town Site Design and Development Criteria), a cover memo, a draft Planning Board resolution, a transmittal memo to the Town Board from the Board Chairperson and a draft Town Board resolution. Once the Town Board has acted upon the request to release final monies, the Town Clerk shall then release the Bond being held. In the event funds have been provided in lieu of a Maintenance Bond by certified bank check payable to the Town of Farmington and placed in the Town's Account Books, then a Town Board resolution directing the Town's Principal Account Clerk to prepare an Abstract for the requested refund to the applicant shall be necessary, provided the above referenced forms have been completed.

Note: There shall be no partial release of funds contained in a Maintenance Bond or other form of surety being held in lieu of a Maintenance Bond.

32. Filing

All adopted Rules of Procedure, as may be amended from time to time, shall be filed with the Town Clerk's Office, placed on the Town's website and, otherwise, be made available for public inspection on demand.

33. Effective Date

All adopted Rules of Procedure shall become effective on filing in the Office of the Farmington Town Clerk.

34. Distribution

Certified copies of the 2022 Board Rules of Procedure shall be filed with the Town Clerk. In addition, an electronic Portable Document Format (PDF) copy shall be sent to all Board members, the Code Enforcement Officer, the Director of Planning and Development, and posted upon the Town’s website. A copy of the 2022 Planning Board Rules of Procedure shall also be kept on file in the Town Development Office.

35. Conflict with New York State Town Law or Town Code

If any of these rules conflict with any provisions of the New York State Town Law or any section of the Farmington Town Code, the New York State Town Law or the Farmington Town Code provisions shall take precedence and that portion of these rules shall be disregarded with the remainder of the rules retaining their effectiveness.
