

**TOWN OF FARMINGTON  
NOTICE OF PUBLIC HEARING**

**PLEASE TAKE NOTICE**, that a public hearing will be held by the Town Board of the Town of Farmington on the 22<sup>nd</sup> day of May 2023, at 7:01 p.m., at the Farmington Town Hall, 1000 County Road 8, Farmington, New York, to consider a revised cost estimate for improvements to the Canandaigua-Farmington Consolidated Water District pursuant to Section 202-b of the New York State Town Law.

The proposed improvements consist of the replacement of the existing Brickyard Road water storage tank, located on Brickyard Road in the Town of Canandaigua, New York, with an elevated storage tank that includes a mixing system and the construction of a dedicated transmission main and valve vaults that connect the new tank to hydraulic grade Zone 2A.

The revised cost estimate shows the estimated costs of these 202-b improvements to now be \$15,000,000, increased from the previous revised cost estimate of \$13,000,000, approved by Resolution No. 68-2022, which itself increased from the original cost estimate of \$9,036,000 approved on June 20, 2017. The new estimated cost increase is due to the inflation of costs since the previous increase was approved.

Any person shall be entitled to be heard upon this matter at such public hearing. Copies of the proposed revised cost estimate are available for review at the Town of Farmington Town Hall, 1000 County Road 8, Farmington, New York.

This by Resolution of the Town Board of the Town of Farmington.

Michelle Finley, Town Clerk  
Town of Farmington
