

Public Notice

Intent to File an Application with USDA, Rural Development, Rural Utilities Services

Town of Farmington

This is to provide notice that the Town of Farmington intends to file an application for funding assistance with USDA, Rural Development for the replacement of the Brickyard Road Water Tank.

This proposed project involves the construction of a new 2.0 MG elevated water storage tank. The estimated capital cost of the project is \$15,000,000.00. Consistent with Town Law and procedures of Rural Development, the Town of Farmington has conducted public information meetings and/or hearings prior to making a commitment to undertake the proposed project.

The Town of Farmington is an equal-opportunity employer.
