RE: Missing Attorney letter from Attorney Frances Kabot, Zoglin Group PLLC

Frances Kabot, Attorney, from the Zoghlin Group PLLC, representing our group of concerned citizens in Opposition to Delaware River Solar Project in Farmington presented a letter to the Planning Board on April 17, 2019 stating our group's objections to the proposed Solar Power Plant on Fox and Yellow Mills Rd. Two weeks have gone by, yet the letter seems to be missing from the communications posted on the Town of Farmington website, while all letters from Delaware River Solar are immediately posted on line and easily accessible. For example, the DRS response letter dated 4/24/19 from the Boylan/Code Group regarding Frances Kabot's letter pops up immediately in its entirety yet Frances Kabot's letter is missing or not easily found.

Please rectify this immediately. Please post any and all recent correspondence articles/emails from our concerned group and post a copy of this letter on the website as well.

Thank You
