RE: Project Status Log – 2-13-2020

Dear Town of Farmington Planning Board,

Delaware River Solar (“DRS”) is pleased to have the opportunity to bring the benefits of Community Solar to the Town of Farmington. This letter provides the following materials in response to comments received by at the February 7, 2020 Project Review Committee (PRC) meeting:

1. **Decommissioning Plan – Version 3** – the plan is updated based on PRC comments.
2. **Operations and Maintenance Plan – February 2020** This plan describes the site operations, inspection, and landscape maintenance work, and annual reporting to the Town of Farmington conducted during the lifetime of the solar energy projects.
3. **Landowner Acknowledgement of Yellow Mills Solar Decommissioning**
4. **Environmental Monitor Qualifications and Duties.** This statement describes the qualifications and duties of the EM.

We thank the Town of Farmington for the thorough review of these projects and look forward to the continued review of the Site Plan, Subdivision, and Special Permit applications.

Sincerely,

Daniel Compitello
Project Developer
